

**TO:** The Honorable the Members of the Board of Regents

**FROM:** Angelica Infante-Green *A. Infante - Green*

**SUBJECT:** Proposed Amendment of Section 100.5 of the Regulations of the Commissioner, Relating to the Social Studies Regents Examination Requirements for a Diploma

**DATE:** October 6, 2016

**AUTHORIZATION(S):**  

## SUMMARY

### Issue for Decision (Consent Agenda)

Should the Board of Regents adopt the proposed amendment of section 100.5 of the Regulations of the Commissioner of Education relating to the Social Studies Regents Examination requirements for a diploma to allow for a transition year and additional involvement of educators in the test development process?

### Reason(s) for Consideration

Implementation of policy.

### Proposed Handling

The proposed amendment will be presented to the full Board for adoption as a permanent rule at its October 2016 Regents meeting.

## **Procedural History**

A Notice of Proposed Rule Making and Emergency Action was published in the State Register on July 6, 2016. The proposed amendment was adopted as an emergency measure by the Board of Regents at its June and September 2016 meetings. A copy of the proposed amendment is attached. Supporting materials for the proposed amendment are available upon request from the Secretary to the Board of Regents. Following the 45-day public comment period required under the State Administrative Procedure Act, the Department received no comments on the proposed amendment.

## **Background Information**

At the March 2016 Board of Regents meeting, an update was provided on the implementation of the New York State K-12 Social Studies Framework and the development of the assessments measuring the new Framework<sup>1</sup>.

## **Assessment Implementation**

The Office of State Assessment has been working closely with members of the Content Advisory Panel to develop the new Regents Examination in Global History and Geography II. This group has worked to develop claims, evidence, and performance level indicators for the new assessment as well as suggested question format. Surveys detailing the suggested format of the new assessment and prototype test items have been issued to solicit feedback from educators. The Content Advisory Panel has taken a lead role in analyzing this feedback and working to incorporate educator input into the new assessment design.

In order to ensure a gradual transition to the new Social Studies framework, and to continue the extensive role played by NYS educators in the development of the new Social Studies Regents Exams, the Global History and Geography Exam administered in June 2018, August 2018, and January 2019 would be based on the existing test framework, but revised to measure content only from the second year of the course consistent with the delineation made in the new framework (i.e., content covering approximately 1750 to the present). The transition year will allow for educators to adjust their curriculum and instruction to a model in which the scope and sequence in the second year of the course culminates in the Regents Exam. The new Regents Examination in Global History & Geography II would first be offered in June 2019 and the Regents Examination in United States History & Government (2014 Framework) would first be offered in June 2020. Not only will this transition year allow educators a more thoughtful and gradual shift to the new framework, but this will also provide time for additional educator involvement in the development of these Regents examinations to ensure they measure the new Framework with quality and fidelity. Additionally, this will ensure an extended period for notice and time for students to be prepared to take the new Regents Examinations in Social Studies.

The Department expects to continue to engage and inform educators regarding the ongoing development process and will issue guidance regarding the transition from the current Regents Examinations in Social Studies to the new Regents Examinations in the coming months. This will include guidance on which instruction and assessments (current vs. new Framework) may be offered to students, based on their grade level during the applicable school year.

In an effort to conform the current diploma requirements to reflect the implementation of this transition year in 2017-18 and provide flexibility to school districts and students while the Department moves to the new Global History & Geography II Regents Examination in 2018-19, the proposed amendment does the following:

- shifts the requirement for students to take and pass the new Regents Examination in Global History & Geography II for graduation (instead of the current Regents Examination in Global History Geography) by one year to allow for the creation of a transition year - so that it applies to students first entering grade nine in September 2017 and thereafter; and
- provides local school districts or schools with the discretion to determine to accept a passing score on either the Transition Regents Examination in Global History & Geography 10 (with content ranging from approximately 1750 to the present) or the Global History & Geography II Regents Examination for the purpose of satisfying the general requirements for a diploma under section 100.5 of the Commissioner's regulations during a period when both examinations (the current exam, but with content ranging from approximately 1750 to the present, and the new exam based on the new Social Studies Framework) are being administered (the June 2019, August 2019, January 2020 and June 2020 administrations).
