**SUBJECT:** 2019 Non-State Aid Budget and Legislative Priorities

**DATE:** October 4, 2018

**AUTHORIZATION(S):** *Mary Ellen Eis*

## SUMMARY

### Issues for Discussion

The Regents advance Non-State Aid budget and legislative requests every year, which reflect initiatives that support the Board's priorities by augmenting or adding funds to the State Education Department's budget. These funds are necessary so that the Department has the resources it needs to meet the Board's policy priorities.

At the September meeting, the Regents Subcommittee on State Aid reviewed and discussed proposals advanced during the 2018 budget cycle and legislative session. At the October meeting, the relevant committees of the Board will review and discuss these previous Non-State Aid proposals, as well as identify and discuss new initiatives the Committee would like to consider. The proposals will be sent back to committees as appropriate in November for further consideration and will come before the full Board in December for approval.

### Reason(s) for Consideration

Review and update of the Regent's Non-State Aid budget and legislative priorities.

### Recommendation

It is recommended that the Regents review last year's proposals to identify modifications, as appropriate, and any new proposals for inclusion in the Board's 2019 Non-State Aid budget and legislative priorities.
