Reason(s) for Consideration

Required by statute (L. 2012, Ch. 102).

Proposed Handling

The proposed amendments are being presented to the P-12 Education Committee for discussion at the January 2013 Regents meeting.

Background Information

Chapter 102 of the Laws of 2012 amends Article 2 of State Education Law (Ed.L. sections 10 through 18) and Education Law section 801-a to significantly expand the scope and intent of the Dignity Act to include provisions on bullying and cyberbullying and to make the Act applicable in certain instances to conduct occurring off school
property. The statute addresses provisions relating to: (1) instructional requirements (2) codes of conduct; (3) reporting; and (4) policies, guidelines and training.

1. 100.2(c) Instructional requirements

The proposed amendment to section 100.2(c) of the Commissioner's Regulations implements instructional requirements consistent with Chapter 102. As amended, section 100.2(c) extends the required instruction for all public school students to explicitly include bullying and cyberbullying. In addition, the regulation would require, for all public school students including charter school students, that required instruction supporting development of a school environment free of harassment, bullying and/or discrimination have an emphasis on discouraging acts of harassment, bullying (including cyberbullying) and discrimination and include instruction in the safe, responsible use of the Internet and electronic communications.

2. 100.2(l) and 119.6 Code of Conduct

The proposed amendment to sections 100.2(l) and 119.6 of the Commissioner's Regulations revises the regulations to conform to and implement the code of conduct provisions of Chapter 102 by including:

- provisions prohibiting harassment, bullying (including cyberbullying) and discrimination against any student by employees or students, that creates a hostile environment by conduct or by threats, intimidation or abuse that either: (1) has or would have the effect of unreasonably and substantially interfering with a student’s educational performance, opportunities or benefits, or mental, emotional and/or physical well-being, including conduct, threats, intimidation or abuse that reasonably causes or would reasonably be expected to cause emotional harm; or (2) reasonably causes or would reasonably be expected to cause physical injury to a student or to cause a student to fear for his or her physical safety. Such conduct shall include acts of harassment and/or bullying that occur (i) on school property; or (ii) at a school function or (iii) off school property where such acts create or would foreseeably create a risk of substantial disruption within the school, environment, where it is foreseeable that the conduct, threats, intimidation or abuse might reach school property;

- provisions for responding to acts of harassment, bullying/cyberbullying, which incorporate a progressive model of student discipline that includes measured, balanced and age-appropriate remedies and procedures that make appropriate use of prevention, education, intervention and discipline, and considers among other things, the nature and severity of the offending student’s behavior(s), the developmental age of the student, the previous disciplinary record of the student and other extenuating circumstances, and the impact the student’s behaviors had on the individual(s) who was physically injured and/or emotionally harmed. Responses shall be
reasonably calculated to end the harassment, bullying, and/or discrimination, prevent recurrence, and eliminate the hostile environment; and

- provisions requiring that charter schools include in their disciplinary rules and procedures pursuant to Education Law section 2851(2)(h) or, if applicable, in their codes of conduct, similar provisions prohibiting harassment, bullying/cyberbullying and discrimination.

3. 100.2(kk) Reporting

The proposed amendment to section 100.2(kk) of the Commissioner's Regulations revises the regulation to conform to and implement the reporting requirements of Chapter 102 by adding provisions for reporting of incidents of harassment, bullying/cyberbullying and discrimination to the superintendent, principal, or their designee, including requirements that:

- School employees who witness harassment, bullying, and/or discrimination or receive an oral or written report of such acts shall promptly orally notify the principal, superintendent, or their designee not later than one school day after such employee witnesses or receives a report of such acts, and shall also file a written report with the principal, superintendent, or their designee no later than two school days after making an oral report.

- The principal, superintendent or the principal's or superintendent's designee shall lead or supervise the thorough investigation of all reports of harassment, bullying and/or discrimination, and ensure that such investigation is completed promptly after receipt of any written reports.

- When an investigation verifies a material incident of harassment, bullying, and/or discrimination, the superintendent, principal, or designee shall take prompt action, reasonably calculated to end the harassment, bullying, and/or discrimination, eliminate any hostile environment, create a more positive school culture and climate, prevent recurrence of the behavior, and ensure the safety of the student or students against whom such behavior was directed.

- The principal, superintendent, or their designee shall notify promptly the appropriate local law enforcement agency when it is believed that any harassment, bullying or discrimination constitutes criminal conduct.

---

1 The definitions of “school property” and “school employee” are inclusive of facilities and employees of charter schools.
• The principal shall provide a regular report, at least once during each school year, on data and trends related to harassment, bullying, and/or discrimination to the superintendent.

• Pursuant to Education Law section 13, retaliation by any school employee or student shall be prohibited against any individual who, in good faith, reports or assists in the investigation of harassment, bullying, and/or discrimination.

   Notices of Proposed Rule Making for each proposed regulation will be published in the State Register no later than February 13, 2013. Copies of the proposed amendments are attached. Supporting materials are available upon request from the Secretary to the Board of Regents.

Recommendation

   It is recommended that the Regents P-12 Education Committee reach consensus on the intent of the proposed amendments prior to taking action at the April 2013 Regents meeting.

Timetable for Implementation

   The provisions of Chapter 102 of the Laws of 2012 become effective on July 1, 2013. It is anticipated that the proposed amendments will be presented for action at the April Regents meeting, after publication of a Notice of Proposed Rule Making in the State Register and expiration of the 45-day public comment period prescribed in the State Administrative Procedure Act.

   It is anticipated that a proposed amendment to section 100.2(jj) of the Commissioner's Regulations, to conform and implement the policies, guidelines and training provisions of Chapter 102, will be presented in a separate Regents Item for discussion at the February 2013 Regents meeting and action at the May 2013 Regents meeting.
