MATTERS NOT REQUIRING BOARD ACTION

Revision and Implementation of New Arts, Science, and Social Studies Standards [P-12 (D) 1] – the Committee discussed standards updates for the Arts, Science and Social Studies.

The Arts – the draft Statewide Strategic Plan for the Arts was developed to guide planning, implementation, mission and vision statements, and incorporates four critical components that need to be addressed if new standards are adopted and/or existing standards are updates. The Regents Blue Ribbon Commission for the Arts will convene in April to continue work on the draft plan, while at the same time it is posted on the Department’s website for feedback from educators in the field. It is anticipated that the updated Statewide Strategic Plan for the Arts will be presented to the Board of Regents for adoption in May 2016.

Sciences – The Statewide Strategic Plan for Science was approved by the Board of Regents in January 2015. Since then work has been underway in the development of the New York State science standards, which used the Next Generation Science Standards as a foundation. In December 2015, the Department posted a public survey to rate the draft standards against a set of research-based standards evaluation criteria. The feedback received will be used to inform revisions to the draft standards prior to presenting new NYS P-12 Science Learning Standards to the Board of Regents at a future meeting.

Social Studies – New York’s Content Advisory Panel for Social Studies, formed in 2011, created the NYS K-12 Social Studies Framework, which was adopted by the Board of Regents in April 2014. In January 2015, the Board of Regents approved changes which established a two-year Global History and Geography course requirements with the assessment aligned to the second year of the course, entitled Regents Exam in Global History and Geography II (1750 to present). This new exam is currently under development by the Social Studies Content Advisory Panel and Department staff.

The Board of Regents will take action on the following consent agenda item at their March 21, 2016 meeting.

State Education Department February 2016 Fiscal Report  
BR (A) 3

MOVED, that the Board accepts the February 2016 State Education Department Fiscal Report as presented.

Motion by: Regent Roger Tilles  
Seconded by: Regent Beverly L. Ouderkirk  
Action: Motion carried unanimously.

Chancellor Tisch gave the floor to Regent Judith Johnson who indicated that she would like to speak about APPR challenges:

- Need to align assessment work with the Governor’s Task Force  
  o Moratorium on student placement  
  o Moratorium on use of test scores for teacher evaluation

- Some school districts are having difficulty completing 3012-d.  
- Need to decouple State Aid from teacher evaluations.  
- Asked that the Board adopt a resolution directing the Commissioner to establish a task force so that the APPR system be revised and aligned with the moratoriums.  
- Counsel Trautwein explained the September 1 date and its connection to State Aid appropriations.  
- Regent Johnson: APPR system is deeply flawed.  
- Regent Young: Asked that the Commissioner issue a report.  
- Regent Johnson: The conclusion is that this is a discussion item for the April agenda. The Commissioner will update and provide scientific research on effective teacher/principal evaluation.  
- Regent Tilles and Regent Ouderkirk agreed that the Commissioner should have an opportunity to provide analysis to the Board.  
- Regent Tallon indicated that the Board will have more information by the time of the April Meeting as the Budget will be passed. Also, that we could not move out the deadline.  
- Commissioner reviewed where the Department has been, what has been done, and where the Department plans to go. Including giving Superintendents as much time as the law allows.  
- Regent Johnson agreed that at the April Meeting the Commissioner will present the summary and timeline as well as continue the conversation about
teacher and principal evaluation that is scientifically based – not advocacy based.
