In addition, your Committee recommends, upon the recommendation of the Committee on the Professions, that 43 consent order applications and 20 surrender applications be granted.

In the case of Denise Kathleen Lippold a/k/a Denise K. Lippold, Registered Professional Nurse, Calendar No. 29638, we recommend that the findings of fact, determination as to guilt, and recommendation as to penalty recommended by the Regents Review Committee be clarified; that respondent be found to have been convicted of committing an act constituting the crimes set forth in the statement of charges and the record herein and be determined to have been found guilty, by a preponderance of the evidence, of each of the four specifications of the charges; and that respondent's license to practice as a registered professional nurse in the State of New York be revoked upon each of the specifications of the charges upon which respondent was found guilty.

These recommendations are made following the review of 69 cases involving twenty-four registered professional nurses, thirteen licensed practical nurses, five licensed practical nurses who are also registered professional nurses, two massage therapists, two pharmacists, two veterinarians, one architect, one architecture professional corporation, one certified public accountant, one licensed master social worker, one licensed master social worker who is also a licensed clinical social worker, one licensed practical nurse who is also a registered professional nurse who is also a nurse practitioner (Family Health), one midwife, one midwife PLLC, one psychologist who is also a psychoanalyst, one registered professional nurse who is also a nurse practitioner (Family Health), and one respiratory therapist.

MOTION FOR ACTION BY FULL BOARD

Madam Chancellor and Colleagues: Your Professional Practice Committee recommends, and we move, that the Board of Regents act affirmatively upon each recommendation in the written report of the Committee's deliberations at its meeting on May 7, 2019, copies of which have been distributed to each Regent.

MATTERS NOT REQUIRING BOARD ACTION

Your Committee discussed several topics of interest, including:

   Deputy Commissioner's Report/Update
   • Full Board Consent Agenda Items
     o Board (Re)Appointments
     o Licensing Petitions
Proposed Amendment to §63.4 and §63.9 of the Regulations of the Commissioner of Education Relating to Administration of Vaccinations by Pharmacy Interns - PPC (A)

Discussion for permanent adoption the revised proposed amendment to implement Chapter 359 of the Laws of 2018. Effective December 7, 2018, Chapter 359 amended the Education Law to permit pharmacy interns to administer vaccinations, if certain specified requirements are met, including, but not limited to, the requirement that all such vaccinations be administered under the immediate personal supervision of a licensed pharmacist who is certified to administer vaccinations. Subsequent to the January 2019 emergency action, Department staff discovered that the proposed rule inadvertently cited Education Law §6808 in two of its provisions, instead of Education Law §6806. Non-substantial changes have been made to correct the statutory citations in the revised proposed rule.

Proposed Amendment to §63.6 of the Regulations of the Commissioner of Education Relating to Certification of Manufacturers and Wholesalers for Export Purposes - PPC (A)

Discussion for emergency action a proposed amendment to implement a review of policy. In order to sell drugs and/or devices in foreign countries, a New York State manufacturer or wholesaler must, inter alia, obtain a certificate from the Department that verifies it is currently registered as a manufacturer, wholesaler-repacker and/or wholesaler of drugs and/or devices and that it offers the drugs and/or devices listed on the certificate for sale in New York State. These certificates are commonly referred to as “free sale certificates.” Currently, 8 NYCRR §63.6(c)(6) only permits the executive secretary of the State Board of Pharmacy to issue free sale certificates. Since the departure of the former executive secretary in January 2019, the Department has been unable to issue any free sale certificates and has several pending applications for them. The proposed amendment addresses this by permitting either the executive secretary or a designee of the Commissioner to issue these certificates.

MOVED, that the Committee Reports be approved.
