NEW YORK STATE EDUCATION DEPARTMENT'S REOPENING SCHOOLS TASK FORCE

RECOVERING, REBUILDING & RENEWING THE SPIRIT OF OUR SCHOOLS

June 2020

New York State
EDUCATION DEPARTMENT
Knowledge > Skill > Opportunity

Chancellor Rosa and Interim Commissioner Tahoe recently announced the formation of a Task Force to help guide schools as they continue to educate our students – whether in person, remotely, or some combination of the two.

Four regional Task Force meetings will be comprised of parents, teachers, school and district leaders, school board members, and other interested parties from every region of the State.

By working together with these partners, we will ensure that the issues of health, safety, and educational equity always come first.

GUIDING PRINCIPLES

1. The health, safety, and well-being of the children and adults in our educational community is paramount.
2. We will always keep the issue of educational equity at the forefront of our thinking and decision-making.
3. We recognize that one size does not fit all. New York is a large state, in population and size. We will always consider the tremendous diversity that exists among our people, our geographic regions, and our schools and school districts. While it is important to provide districts with guidelines and policies, it is important as well to give them appropriate leeway to develop creative solutions to their unique challenges.
4. We will enable and encourage districts to work directly with parents, teachers, administrators, and their local communities to develop and deliver workable solutions to their unique needs. We will succeed through our collective effort.
5. We will proceed with the understanding that planning for schools to reopen is not a one-time event. We will continuously monitor the situation and provide updated guidance, policies, and regulatory changes as the situation requires.

GOAL OF THE TASK FORCE

Goal:

The Task Force will provide the Board of Regents and the Education Department with thoughtful and inclusive input needed to develop the guidance and regulatory changes that will enable New York's school districts, charter schools, and non-public schools to safely open their schools.

PHASES OF WORK

Phase I:

4 Regional Task Force Meetings will gather stakeholder feedback

June 15th & 17th from 2:00-5:00 p.m. and 22nd and 24th from 8:30 -11:30 a.m.

Phase II:

The R2CC synthesizes the feedback from the meetings. The Department develops guidance and regulatory changes

Phase III:

**Board of Regents
regulatory and policy discussion**

July 13th Board of Regents Meeting.

AREAS OF FOCUS:

The Regents and the Department will consider the following areas of focus as they develop the guidance and regulatory changes that will enable New York's school districts to safely open their schools.

Health and Safety

Transportation/
Facilities/Nutrition

Teaching and
Learning

Digital Equity and
Access

Budget and Fiscal

Social-Emotional
Needs

Special Education

Bilingual Education/
MLL/ELL

Staffing/Human
Resources

IN CLOSING:

While no one can predict the new challenges that may arise over the coming weeks and months, it is imperative that we plan for a safe and orderly return to school.

Without question, the paramount concern is to ensure the health and safety of everyone in our educational community.

Together, we will create a framework to help guide school districts in the safe reopening of their schools.

Allocations of Funds

- **ESSERF allocations to LEAs and GEER allocations to school districts will be calculated using the relative shares of grants awarded under Title I, Part A of the Elementary and Secondary Education Act (ESEA) for the most recent fiscal year.**
- **ESSERF and GEER funds to school districts were programmed by the Division of the Budget and the Legislature in the 2020-21 enacted New York State budget through the application of a “pandemic adjustment” to partially offset the state share of state aid to school districts.**
- **\$5.1 million in ESSERF state educational agency reserve funds remain available, and a plan for the use of these funds is under development.**

Equitable Services

- **The CARES Act requires LEAs that receive ESSERF and GEER funds to provide equitable services to students and teachers in non-public schools.**
- **NYSED will be including guidance on the equitable services requirement when the application for the CARES Act funding is opened to LEAs.**

Discretionary Grant Competitions

- **The CARES Act set aside 1% of the \$30.75 billion in funding for the Education Stabilization Fund for grants to States with the highest coronavirus burden (\$307.5 million).**

Discretionary Grant Competitions

The U.S. Department of Education (USED) is dividing the \$307.5 million between two competitions:

- \$180 million for the Rethink K-12 School Models Grant (USED anticipates making 12-13 awards averaging approximately \$15 million each); and
- \$127.5 million for the Reimagining Workforce Preparation Grant (USED anticipates making 8-9 awards averaging approximately \$15 million each).

Discretionary Grant Competitions

- **NYSED plans to submit an application for both grants.**
- **Applications for the Rethink K-12 School Models Grant are due by June 29, 2020. NYSED submitted a letter of intent to apply on May 17, 2020.**
- **We are waiting for USED to issue a supplemental notice with detailed information on application requirements for the Reimagining Workforce Preparation Grant.**

What is the ESSA Financial Transparency Requirement?

ESSA requires: beginning with data from the 2018-2019 School Year (for reporting by the end of 2019-20), State Report Cards must include:

What is the ESSA Financial Transparency Requirement?

States have been given wide latitude to develop reports that fit local needs.

Key factors in developing New York's report:

What is the ESSA Financial Transparency Requirement?

All LEAs must file reports

For 2018-19 SY current charter school expenditure data that is reported is ESSA-compliant under the existing reporting requirements.
