SUMMARY

Issue for Decision (Consent Agenda)

Should the Board of Regents adopt the proposed amendment of section 135.4 of the Regulations of the Commissioner of Education relating to high school students' eligibility to participate in interscholastic competition until the conclusion of the interscholastic athletic spring season?

Reason(s) for Consideration

Review of Policy.

Proposed Handling

The proposed amendment is being presented to the Full Board for adoption as a permanent rule at its July 2021 meeting. A copy of the proposed rule is attached (Attachment A).

Procedural History

The proposed rule was presented to the P-12 Education Committee for recommendation to the Full Board for adoption as an emergency rule at its April 2021 Regents meeting, effective April 13, 2021. A Notice of the Emergency Adoption and Proposed Rule Making was published in the State Register on April 28, 2021 for a 60-day public comment period. Because the April emergency action was set to expire on July 11, 2021, a second emergency action was taken at the June 2021 Regents meeting, effective July 12, 2021, to ensure that the emergency rule remained continuously in effect until it could be permanently adopted and take effect as a

permanent rule. Following publication in the State Register, the Department received no comments on the proposed amendment. Therefore, an Assessment of Public Comment is not required and no changes to the proposed amendment are needed. Supporting materials are available upon request to the Secretary to the Board of Regents.

Background Information

Due to the COVID-19 crisis, the New York State Public High School Athletic Association has extended the interscholastic athletics spring season until June 30, 2021. The Department received inquiries on whether students who graduate prior to June 30, 2021 would be able to complete participation in their spring sports. Moreover, many of the student athletes in nonpublic schools graduate in May and/or early June, prior to the end of the spring interscholastic season. Currently, section 135.4 of the Commissioner's regulations does not permit participation in athletic competition after a student graduates. Commissioner's regulation §135.4(b)(1) states that "[a] pupil shall be eligible for senior high school athletic competition in a sport during each of four consecutive seasons of such sport commencing with the pupil's entry into the ninth grade and *prior to graduation...*"

Therefore, the Department proposes to amend section 135.4 of the Commissioner's regulations to clarify that eligible student athletes may participate in interscholastic sports and complete their spring season during the year in which they graduate, including when such students' graduation ceremony occurs prior to the end of the interscholastic athletic spring season. No other eligibility requirements are altered by this proposed amendment.
