SUMMARY

Issue for Discussion

What policies and initiatives can the Board of Regents develop to position libraries for success in the future?

Proposed Handling

Regents Advisory Council members will present an update on efforts to develop new policy recommendations for library services.

Procedural History

The Regents Advisory Council on Libraries advises the Board on issues concerning library policy, works with the State Education Department staff in developing a comprehensive statewide library and information policy, and makes recommendations to the Regents for implementing library programs and initiatives. A list of the Council members is attached.

Recommendation

Staff recommends that the Regents support the efforts of the Regents Advisory Council to develop new long-term policy recommendations for library services.
