

TO: The Honorable the Members of the Board of Regents
FROM: Ken Wagner 
SUBJECT: Proposed Amendment of Sections 57-1.1 and 135.4 and addition of Section 135.7 of the Regulations of the Commissioner of Education, relating to Child Abuse and Maltreatment Identification and Reporting Coursework or Training for Coaches

DATE: December 8, 2014

AUTHORIZATION(S):

SUMMARY

Issue for Decision (Consent Agenda)

Should the Board of Regents amend sections 57-1.1 and 135.4 and add a new section 135.7 of the Regulations of the Commissioner of Education relating to Child Abuse and Maltreatment Identification and Reporting Coursework or Training for Coaches?

Reason(s) for Consideration

Required by State statute (Chapter 205 of the Laws of 2014).

Proposed Handling

The proposed rule is being presented to the Full Board for action at the December 2014 Board of Regents meeting.

Procedural History

The proposed rule was discussed by the P-12 Education Committee at the September 2014 Regents meeting.

A Notice of Proposed Rule Making was published in the State Register on October 1, 2014. A copy of the proposed rule is attached. Supporting materials are available upon request from the Secretary to the Board of Regents.

Background Information

Chapter 205 of the Laws of 2014, among other things, added a new Education Law section 3036 which directs the Commissioner to adopt regulations requiring all individuals currently holding or applying for a temporary coaching license or a professional coaching certificate to complete two hours of coursework or training relating to the physical and behavioral indicators of child abuse and the mandated reporting requirement. The statute requires coaches to obtain such training from an institution or provider approved by the State Education Department. The training must include both information regarding the physical and behavioral indicators of child abuse and maltreatment, and the statutory reporting requirements set forth in Social Services Law.

The Department has long recognized the vital role coaches play in the health and safety of New York State students. Therefore, to ensure that these individuals are properly trained to identify suspected child abuse or maltreatment, the Department currently administratively requires candidates for temporary coaching licenses and continuing certificates to obtain training in the identification and reporting of child abuse and maltreatment. The enactment of Chapter 205 of the Laws of 2014, and these proposed implementing regulations, simply codifies existing practice by expressly requiring such vital training.

Recommendation

Staff recommends that the Regents take the following action:

VOTED: That section 57-1.1 and paragraph (7) of subdivision (c) of section 135.4 of the Regulations of the Commissioner of Education be amended, and that section 135.7 be added, as submitted, effective December 31, 2014.

Timetable for Implementation

If adopted at the December meeting, the proposed rule will take effect on December 31, 2014.
