AUTHORIZATION(S):

SUMMARY

Issue for Decision

Reason(s) for Consideration

Review of policy

Proposed Handling

The proposed amendment is being presented to the P-12 Education Committee for recommendation to the Full Board for adoption as emergency rule at its March 2017 meeting. A notice of Emergency Adoption and Proposed Rule Making will be published in the State Register on March 29, 2017. A copy of the proposed amendment and a statement of facts and circumstances justifying the emergency are attached.

Background Information

In January 2015, the Board established regulations to establish multiple, rigorous assessment pathways for graduation for all students. Those pathways included Science, Technology, Engineering, and Mathematics (STEM), Humanities, Career and Technical Education (CTE), Languages other than English (LOTE), and the Arts. In

March of 2016, the Board established a Career Development Occupational Studies (CDOS) pathway as a sixth option for New York State students.

Since that time, the Office of State Assessment has approved 30 examinations in CTE and 9 examinations in the Arts. At the time the regulations establishing the pathways were approved, the specific rules governing the criteria for evaluating pathway examinations, outlined in Commissioner's Regulations §100.2(mm), only included approval of CTE and Arts examinations. The proposed amendment applies the same criteria for evaluating pathway examinations to the evaluation of LOTE pathway assessments, rather than the criteria set forth in 100.2(f). The proposed amendment is necessary to ensure that there is an appropriate set of criteria by which assessments in LOTE can be evaluated and approved to be used to meet assessment requirements for graduation.

Recommendation

It is recommended that the Board take the following action:

VOTED: That subdivisions (f) and (mm) of Section 100.2 of the Commissioner's Regulations be amended and that subclause (1) of clause (f) of subparagraph (i) of paragraph (5) of subdivision (a) of Section 100.5 be amended, effective March 14, 2017, as an emergency action upon a finding by the Board of Regents that such action is necessary for the preservation of the general welfare in order to ensure that there is an appropriate set of criteria by which assessments in Languages other than English can be evaluated and approved to be used to meet assessment requirements for graduation.

Timetable for Implementation

If adopted at the March Regents meeting, the proposed amendment will become effective as an emergency measure on March 14, 2017. It is anticipated that the proposed amendment will be presented to the Board of Regents at the July 2017 meeting for adoption as a permanent rule. If adopted at the July meeting, the proposed amendment will be effective on August 2, 2017.

STATEMENT OF FACTS AND CIRCUMSTANCES WHICH NECESSITATE
EMERGENCY ACTION

The proposed amendment will allow the Department to seek applications from third parties to submit Languages other than English (LOTE) examinations to be approved for use as a pathway assessment toward graduation under Commissioner's Regulations 100.2(mm). It is anticipated that some entities may wish to submit assessments in order to make them available to students for graduation at the end of this school year.

Since the Board of Regents meets at fixed intervals, the earliest the proposed rule can be presented for regular (non-emergency) adoption, after expiration of the required 45-day public comment period provided for in State Administrative Procedure Act (SAPA) section 202(4-a), is the July 2017 Regents meeting. Furthermore, pursuant to SAPA section 203(1), the earliest effective date of the proposed rule, if adopted at the July meeting would be August 2, 2017, the date a Notice of Adoption would be published in the State Register. Emergency action is therefore needed at the March 2017 meeting in order to ensure there is adequate time for the Department to review examinations for potential use for graduation purposes before the end of the 2016-17 school year. It is also necessary to ensure that applicants throughout the State have an adequate amount of time to become familiar with the application process, which will be made available once the proposed amendment becomes effective as an emergency rule.
