GIVE BACK. EMPOWER TODAY'S YOUTH. TEACH.

Project **BEST**: Bilingual Educators in Science and Technology

ARE YOU INTERESTED IN
TEACHING SCIENCE AT THE
MIDDLE SCHOOL OR HIGH
SCHOOL LEVEL?

ARE YOU BILINGUAL OR A
NATIVE SPEAKER OF SPANISH
OR HAITIAN CREOLE?

DO YOU HAVE A B.S.
OR B.A. AND A STRONG
BACKGROUND IN THE
SCIENCES?

Earn an M.A. in Science Education and New York State certification in just one year through **Project BEST**, a competitive teaching residency program offered by Adelphi's Ruth S. Ammon School of Education.

Project **BEST** scholars:

- Are mentored by highly qualified science teachers and University faculty
- Earn New York State certification (grades 7-12) in a science discipline (biology, earth science, physics or chemistry) and a bilingual extension
- Receive a **\$10,000** tuition stipend and **\$30,000** living allowance

Project **BEST** Faculty

Daryl Gordon, Ph.D.
Assistant Professor

Tracy Hogan, Ph.D.
Associate Professor

Eva Roca
Director, TESOL/
Bilingual Education

Diana Schwinge,
Ph.D., Associate
Professor

Project BEST is made possible through funding from the New York State Race to the Top.
