STANDING COMMITTEE REPORTS

Joint P-12 Education/State Aid

Your P-12 Education Committee and Subcommittee on State Aid held a joint meeting on May 16, 2011. All members were present, except for Regent Bendit, who was excused.

Action Items

Mandate Relief and Flexibility

Your Committee recommends that the Regents approve the mandate relief and flexibility option recommendations, as described in Appendix A, of which several were reviewed at the February meeting, and issue a vote of support for Department staff to seek further public comment on the special education options, as described in Appendix B. [P-12/SA (A) 1]

Motion for Action By Full Board

Madam Chancellor and Colleagues: Your P-12 Education Committee and State Aid Subcommittee recommend, and we move, that the Board of Regents act affirmatively

upon the recommendation in the written report of the Committees' deliberations at their meeting on May 17, 2011, copies of which have been distributed to each Regent.

Cultural Education

Regent Roger Tilles, Chair of the Cultural Education Committee, submitted the following written report.

Your Committee on Cultural Education Committee had its scheduled meeting on May 16, 2011.

In attendance were committee members: Tilles and Dawson. Absent were Regents Rosa and Bendit.

In addition to CE Committee Members, in attendance were: Regents Cea, Norwood, and Cottrell and Chief Operating Officer Valerie Grey.

Items for Discussion

Chair's Remarks: Regent Tilles welcomed everyone and opened the meeting. He noted that at tomorrow's full-board meeting, the Board will consider final adoption of a modification of Regents Regulations section 3.27 relating to the management of Museums and Historical Societies holding collections. The modifications were developed with the assistance and consensus support of a broad based committee, led by Carole Huxley.

CE (D) 1 – Annual Report of the Regents Advisory Council on Libraries to the Board of Regents

Gerald Nichols, vice chair of the Regents Advisory Council (RAC) on Libraries briefed the committee on the Annual Report of the RAC. Chair of the Committee, Bridget Quinn-Carey was unable to attend today's meeting. Printed copies of the report were distributed to committee members prior to the meeting. The in-depth report included the status of current programs, services, recommendations and potential opportunities that would continually improve library services for all New Yorkers and to meet customers' ever-changing needs, advancing technologies and trends and challenges faced by libraries. Mr. Nichols indicated that libraries across the state are thriving, but are "starving" for resources. Mr. Nichols asked the committee to designate a liaison between the committee and the RAC. He also asked for input from committee members on the future vision for libraries. RAC member John Hammond briefed the committee on his work in developing a "20/20 Vision" report that establishes an agenda for libraries for the coming decade. He indicated that his working group will have a draft vision document by the end of the summer and that they would solicit input and feedback from the field at the New York Library Association annual meeting and hopefully in meetings throughout the state, within each Regent region.

Regent Tilles agreed to act as the liaison to the RAC. He also suggested that libraries would benefit from greater partnerships and increasing their visibility within the communities they serve. Regent Norwood suggested that the RAC solicit Board of Regents members for their input directly. He also suggested that he would assist the committee in reaching out to the library community in the finger lakes region. Finally, he suggested that the committee develop a plan and a vision that breaks down silos, that incorporates strong partnerships with the P-12 and higher education communities and that libraries follow the model of banks, being seen, not as buildings, but as omnipresent services.

CE (D) 2– *Summer School of the Arts*

Chief Operating Officer Val Grey briefed the committee on the financial status of the Summer School of the Arts and the recent transition of the program from the Office of P-12 to the Office of Cultural Education. The nationally recognized Summer School for the Arts' program is unique in itself, providing opportunities for professional training and instruction to qualifying high school students with special talents. By enriching students' experiences, these programs may help them define and elevate their talents and aid them in choosing a field in the fine arts and/or the performing arts. Regent Tilles indicated that the committee would like additional information on each of the individual schools, specifically where the students come from and what the need for each school is in order to advocate for additional support for the school.

Joint P-12 Education/College and Career Readiness Working Group

Your P-12 Education Committee and College and Career Readiness Working Group held a joint meeting on May 16, 2011. All members were present.

Action Items

Options for Funding the Regents Examination System

Your Committees recommends that the Board of Regents direct staff to take the action steps listed in Chart A and Chart B in the Regents Item. The Committee endorsed the long-term action steps proposed by staff which include the securing of exams after they are given so that the questions can be reused, looking at other cost-effective options other than printing and shipping the tests, and piloting online testing to gauge the capacity of the Department and the field to administer tests electronically. Regent Roger Tilles voted in opposition on these proposed action steps. [P-12/CCR (A) 1]

Motion for Action By Full Board

Madam Chancellor and Colleagues: Your P-12 Education Committee and College and Career Readiness Working Group recommend, and I ove, that the Board of Regents act affirmatively upon the recommendation in the written report of the Committees' deliberations at their meeting on May 17, 2011, copies of which have been distributed to each Regent.

Matters Not Requiring Board Action

Common Core Transition Strategy – The Committees discussed strategies to revise the State's assessment programs to ensure that they measure the knowledge and skills that are required for students to stay on track to college and career readiness from elementary school through graduation. The strategies discussed include:

- Possible revisions to the existing state standards in Science and Social Studies/History to ensure that they reflect rigorous expectations in each grade level and that they reflect a learning trajectory that ensures students graduate college and career ready.
- Creation of four domain-specific advisory panels and an implementation panel to advise on each step in the assessment design and validation process.
- Assessment design activities including conducting an analysis of the gap between the knowledge and skills currently measured by each of our exams and the knowledge and skills our exams need to make sure students are on track for college and career readiness.
- Creation of an ongoing empirical validation strategy to collect a variety of evidence regarding our assessments to be used to evaluate the quality and improve the rigor of our assessments.
- Changing the score scale to one which is consistent with the 3–8 testing program scale and reports student performance as a performance category.

Staff will begin the research and work necessary to build on this comprehensive assessment transition strategy and will return at a later date with a proposal for a coherent sequenced system that is aligned with the Common Core standards. [P-12/CCR (D) 1]

Earning Additional Course Credit through Integrated CTE Courses – The Committees discussed staff recommendations to provide additional integrated options in grades 9-10, where currently most BOCES districts offer CTE courses in middle-level and grades 11-12. Specific career pathways available in grades 11-12 in approved CTE programs could be expanded downward to reflect specific academic and technical skill sets necessary to provide the foundational content knowledge needed for success in college and careers. The Committee discussed a multi-year phase-in approach with the option for some districts to begin as early as the 2011-12 school year, by identifying existing CTE courses at the high school level that have the potential for integrated academic enhancement. Staff will begin to further develop the implementation plan and come back to a future meeting to update the Regents. [P-12/CCR (D) 2]

CTE Program Approval Process – the Committees discussed the Regents approved CTE policy permitting students to earn up to one unit each of required credit in English, science, and mathematics, and the combined unit of economics and government through integrated CTE courses in approved CTE programs. This allows students to pursue career and technical education through coursework that also offers credit for commencement-level academic skills and content. Department staff will review the existing Regents CTE policy to identify ways to expand access to high-quality CTE programs. Staff will return to the Regents at a future date with considerations for policy decisions. [P-12/CCR (D) 3]

CTE Panel Presentation - Academic Integration in Approved CTE Programs

Panel Members

- David Arntsen, Career and Technical Education Director, Madison-Oneida BOCES
- Ms. Gene Silverman, Executive Director, Department of Career and Technical Education Nassau BOCES
- James Weimer, Principal, Emerson High School of Hospitality, Buffalo City Schools
- Shirley Ware, Career and Technical Education Teacher, North Syracuse Central School District

The panel presented overviews of their programs and answered questions relating to how academic integration is operationalized in their CTE approved programs. Discussion focused on current options for students to earn academic credit through integrated CTE coursework and how integrated CTE coursework improves student learning and achievement. [P-12/CCR (D) 4]

Graduation Rate Reporting – the Committees discussed several approaches to developing valid and rigorous aspirational performance standards that are aligned with college- and career-readiness. Among the approaches discussed were the Regents Diploma with Advanced Designation, the ELA/Math Aspirational Performance Measure and using additional course and achievement differentiation for Math. Since fewer students pursue advanced math courses, the latter approach will need further development. In the next few weeks, the Department will release the graduation rate for students who entered grade 9 in the 2006-07 school year. This release will make clear the percentage of students in the cohort – by school and district – that met the following aspirational performance standards discussed in the meeting (which can be viewed as possible indicators of potential postsecondary success): Regents Diploma with Advanced Designation and the ELA/Math Aspirational Performance Measure. [P-12/CCR (D) 5]

Professional Practice

Your Professional Practice Committee held its scheduled meeting on May 17, 2011. All Committee members were present, except for Vice Chancellor Milton L. Cofield, who was excused. Chancellor Merryl H. Tisch, Regent James O. Jackson,

Regent Kathleen M. Cashin and Regent James E. Cottrell were also present but did not vote on any case or action.

Action Items

Professional Discipline Cases

Your Committee recommends that the reports of the Regents Review Committees, including rulings, findings of fact, determinations as to guilt, and recommendations, by unanimous or majority vote, contained in those reports which have been distributed to you, be accepted in 6 cases. In addition, your Committee recommends, upon the recommendation of the Committee on the Professions, that 20 consent order applications and 3 surrender applications be granted, with four members of the Committee voting acceptance of the consent application in the case of Mary Ann Lester, Dentist, Calendar No. 25522, and Regent Wade S. Norwood recusing himself from any consideration of this matter. [PPC EXS (A) 1-3]

In the case of John E. Walden, under Calendar No. 24917, we recommend that the April 5, 2011 Vote and Order in this matter, the Application For Consent Order granted in this matter, and the terms of probation attached as Exhibit "B" to the Application For Consent Order in this matter each be deemed corrected solely insofar as the calendar number of 25486 shown on each of said documents shall reflect the correct calendar number in this matter and be deemed to read the correct calendar number of "Cal. No. 24917"; and that the determination rendered on April 5, 2011 shall otherwise remain in full force and effect.

In the case of James Michael Werner, under Calendar No. 25495, we recommend that the terms of probation set forth in Exhibit "B" to the Application For Consent Order previously submitted by James Michael Werner and accepted by the Board of Regents on April 5, 2011 be deemed corrected solely insofar as the presently existing caption and headers in said Exhibit "B" indicates the name of James William Werner and the caption and headers in said Exhibit "B", therefore, each be deemed to read the applicant's correct name of "James Michael Werner"; and that the determination rendered on April 5, 2011 shall otherwise remain in full force and effect.

In the case of Ronald J. Peters, Veterinarian, Calendar No. 25612, we recommend the correction that, in view of respondent's clear, relevant conviction for the crime of "Animal Cruelty", the word "Forgery" at the beginning of line 19 on page 10 of the report of the Regents Review Committee in this matter be deemed deleted and the word "Cruelty" be deemed substituted therefore.

These recommendations are made following the review of 29 cases involving six licensed practical nurses, four registered professional nurses, three veterinarians, two certified public accountants, two dentists, two licensed practical nurses who are also registered professional nurses, one architect, one chiropractor, one clinical laboratory

technician, one certified dietitian/nutritionist, one licensed mental health counselor, one physical therapist, one professional engineer, and one psychologist.

Restoration Cases

Your Committee recommends: That, upon completion of an evaluation and, if necessary, treatment by a psychiatrist or psychologist and the submission of proof of his fitness to practice satisfactory to the Director of the Office of Professional Discipline, the execution of the order of revocation of the license of Allen Koral to practice as a dentist in the State of New York be stayed; that, upon his return to the practice of dentistry in this state, he be placed on probation for a period of two years in accordance with the Terms of Probation set forth in Exhibit A annexed the report of the Peer Committee, provided that the period of probation shall be tolled during periods in which the applicant is not engaged in the active practice of dentistry in New York State; and that, upon satisfactory completion of the probationary period, his license be fully restored. [PPC EXS (A) 4]

That the execution of the Order of Surrender of the license of P. Kithsen Dias to practice as a physician in New York State be stayed; that he placed on probation for five years under the Terms of Probation attached to the Report of the Committee on the Professions as Exhibit A; and that, upon satisfactory completion of the probationary period, his license be fully restored. [PPC EXS (A) 5]

That the application of Nicolette Francey for restoration of her license to practice as a physician in the State of New York be denied. [PPC EXS (A) 6]

That the application of Khaja Naseeruddin for restoration of his license to practice as a physician in the State of New York be denied. [PPC EXS (A) 7]

That the application of Rameshwar Pathak for restoration of his license to practice as a physician in the State of New York be denied. [PPC EXS (A) 8]

That the application of Abraham I. Sokol for restoration of his license to practice as a physician in the State of New York be denied. [PPC EXS (A) 9]

That the application of Donald R. Werner for restoration of his license to practice as a physician in the State of New York be denied. [PPC EXS (A) 10]

That application of Steven B. Wilkins for restoration of his license to practice as a physician in the State of New York be tabled. [PPC EXS (A) 11]

Motion for Action By Full Board

Your Professional Practice Committee recommends, and we move, that the Board of Regents act affirmatively upon each recommendation in the written report of

the Committee's deliberations at its meeting on May 17, 2011, copies of which have been distributed to each Regent.

Matters Not Requiring Board Action

Your Committee discussed several topics of interest, including:

Acting Deputy Commissioner's Report/Update [Oral] – The Acting Deputy Commissioner reported on the following issues:

- Deputy Commissioner recruitment
- Overview of PPC Consent Agenda items scheduled for action by the Full Board
- Document Scanning
- E-licensing
- Licensing staffing
- International Medical School Advisory Committee
- Social Work Issues
- New York participation in the national nursing disciplinary and licensure data bank (NURSYS) through membership in the National Council of State Boards of Nursing (NCSBN)
- Institute of Medicine (IOM) report on The Future of Nursing

Update on the Professions [PPC (D) 1] – This overview of the Office of the Professions was provided as an introduction for a series of reports to the Professional Practice Committee about the status of and important issues relating to the various professions.

Amendment of Regents Rule Relating to Customized Patient Packaging of Medications for Patients on Complex Medication Regimens [PPC (D) 2] – This proposed amendment to the Rules of the Board of Regents would authorize pharmacists to package different medications together for administration at the same time. The proposed amendment will come before the Board of Regents for action at its July 2011 meeting.

Higher Education

Your Higher Education Committee held its scheduled meeting on May 17, 2011. All members were present with the exception of Chancellor Emeritus Bennett.

Action Items

Tenure and Seniority Rights for Teachers Performing Instructional Support Services in a BOCES. Your Committee discussed and approved an amendment to Subpart 30-1 of the Rules of the Board of Regents and section 80-1.8 of the Regulations of the Commissioner of Education, to authorize teachers employed by a board of cooperative educational services (BOCES) that perform instructional support services to accrue tenure and seniority rights in new tenure areas within the BOCES that are aligned with their instructional support duties. Your Committee voted that

subdivision (b) of section 30-1.2 of the Rules of the Board of Regents be amended; that subdivisions (c) and (d) of section 30-1.2 shall be renumbered to subdivisions (d) and (e), a new subdivision (c) be added, and renumbered subdivision (d) shall be amended and a new subdivision (e) shall be added to section 30-1.2 of the Rules of the Board of Regents; that subdivision (b) and (d) of section 30-1.9 of the Rules of the Board of Regents be amended; that section 80-1.7 of the Regulations of the Commissioner of Education be amended and that subdivision (a) of section 80-1.8 of the Regulations of the Commissioner of Education be amended, as submitted, effective May 20, 2011, as an emergency action upon a finding by the Board of Regents that such action is necessary for the preservation of the general welfare in order to allow a teacher employed by a BOCES to accrue tenure and seniority rights for the performance of instructional support services in one of the newly created tenure areas so that BOCES can make budgetary and employment decisions before the new school year.

STEM Regulations. Your Committee discussed and approved a proposed amendment to allow individuals with advanced degrees in Science, Technology, Engineering and Mathematics (STEM) and related teaching experience at the postsecondary level to obtain a teaching certificate in Earth Science, Biology, Chemistry, Physics, Mathematics or in a closely related field. Your Committee voted that that paragraphs (45) through (47) of subdivision (b) of Section 80-1.1 be renumbered to paragraphs (46) through (48) and a new paragraph (45) be added; that subparagraph (i) of paragraph (2) of subdivision (a) of section 80-3.3 be amended; that section 80-3.7 be amended and a new section 80-5.22 is added to the Regulations of the Commissioner of Education, effective May 17, 2011, as an emergency action upon a finding by the Board of Regents that such action is necessary to protect the general welfare of the public to address the demonstrated shortage of certified teachers in science and mathematics in grades 7-12.

Motion for Action By Full Board

Your Higher Education Committee recommends, and we move, that the Board of Regents act affirmatively upon each recommendation in the written report of the Committee's deliberations at its meeting on May 17, 2011, copies of which have been distributed to each Regents.

P-12 Education

Your P-12 Education Committee held its scheduled meeting on May 17, 2011. All members were present, except for Chancellor Emeritus Bennett and Regent Dawson, who were excused.

Charter School Actions

Your Committee recommends that the Board of Regents approves and issues the second renewal charter of the Tapestry Charter School as proposed by the Board of Trustees of the State University of New York, and that its provisional charter be extended for a term up through and including April 24, 2016. [P-12 (A) 1]

Motion for Action By Full Board

Madam Chancellor and Colleagues: Your P-12 Education Committee recommends, and I move, that the Board of Regents act affirmatively upon each recommendation in the written report of the Committee's deliberations at its meeting on May 17, 2011, copies of which have been distributed to each Regent.

Matters Not Requiring Board Action

Laboratory Requirements for Qualifying to take a Regents Exam in any of the Sciences – The Committee discussed the current laboratory requirements necessary for students to qualify to take a Regents Exam in any of the Sciences and recent changes and proposed additions to regulations that allow students to demonstrate achievement of the NYS Learning Standards through alternate pathways beyond traditional coursework, including online and blended learning. The Committee directed staff to convene a group of science, technology, and education stakeholders including teachers and leaders from school districts, institutions of higher education, and business and industry to review and evaluate the science laboratory requirement; consider and appraise current available research on teaching and learning in science; and make recommendations to the Board of Regents regarding amendments to current regulations. [P-12 (D) 1]

School Safety Plans – the Committee discussed proposed amendments to regulations relating to district-wide school safety plans and building-level school emergency response plans. Current regulations require that the district-wide school safety plans include the minimum requirements prescribed by law, plus plans of evacuation and sheltering as well as information on school population, number of staff, transportation needs and the business and home telephone numbers of key officials of each educational agency within the district. Due to recent events surrounding safety and security, this confidential information will now be part of the building-level school emergency response plan, which is not shared with the general public. This proposed amendment will ensure that confidential information including the home telephone numbers of local education officials and the tactical strategies for responding to critical events such as building evacuation and sheltering are not disclosed to the public. These proposed regulations will be presented to the Committee at the July meeting for permanent adoption. [P-12 (D) 2]

Consent Agenda Items – Senior Deputy Commissioner King presented the following item scheduled for approval on the full Board consent agenda:

- Proposed amendments to regulations to make technical amendments to Section 100.2(ee)(2) relating to Academic Intervention Services.

Adult Career and Continuing Education Services (ACCES)

Your ACCES Committee held its scheduled meeting on May 17, 2011. All members were present, with the exception of Chancellor Emeritus Bennett, Regent Chapey and Regent Tilles, who were excused. Additional members of the Board attending were Vice Chancellor Cofield, Regent Cashin, Regent Cottrell, and Regent Jackson.

Matters Not Requiring Board Action

The Committee was informed about the Business Initiatives within the Office of Adult Career and Continuing Education Services-Vocational Rehabilitation. The marketing strategy developed through *Designing Our Future* provided the construct for ACCES-VR's current business initiatives. A report was given on the initiatives undertaken by ACCES-VR on outreach to businesses, tracking job ready consumers and marketing of business incentives. In order to meet the employment needs of the more than 53,000 individuals who are engaged in the VR program, we continue to develop strategies that connect consumer training with the employment needs of businesses. The resulting initiatives will serve to provide VR professionals and consumers with information about essential job skills, hiring practices, and company-based opportunities for career development. Such information will serve to empower individuals with disabilities in their choice of employment or career path.

The goal of Vocational Rehabilitation is for individuals with disabilities to achieve an employment outcome that allows them to be self-sufficient and support themselves through earned income. For ACCES-VR to support that goal, it means we must be responsive to the ever changing labor market forces. It is also essential that ACCES-VR continues to foster its partnerships with business, qualified employers and its potential employees. Partnerships are the key for Vocational Rehabilitation to ensure equal access to the world of work because the labor market changes constantly and those changes impact individuals with disabilities obtaining employment.

Audit/Budget and Finance

The Regents Committee on Audits/Budget and Finance met as scheduled on May 17, 2011. Vice Chair Bendit, Regents Tilles, Phillips, Tallon, Young, Cashin and Cottrell were in attendance.

Chair's Remarks: Regent Chapey welcomed everyone. She reiterated the role of the Committee in assisting the Board of Regents in its fiscal responsibilities and fostering collaboration across the Department.

Items for Discussion

May 2011 Fiscal Report

Your Committee reviewed the fiscal report. Our Chief Operating Officer briefed the Committee members on the status of efforts to improve the fiscal health of some accounts including Teacher Tenure Hearings, Cultural Ed, GED, and Assessment.

Implementing the 2011-2012 Operations Budget

The Committee was updated on the development of budget plans and cost cutting measures in line with the enacted State budget.

Completed Audits

The Committee was presented with 59 audits this month. The audits included 6 audits issued by the Office of Audit Services (OAS) and 53 audits issued by the Office of the State Comptroller (OSC). The members were briefed on the audit of Henry Viscardi School. The audits identified the need for recovery of funds and improved accounting and budgeting practices. OAS will continue to monitor trends requiring the attention of the Committee.

Developing the Audit Plan for the Office of Audit Services

The Committee was updated on the development of the Office of Audit Services' Audit Plan for 2011-2012 which will be presented at the next month's meeting.
