Proposed Handling

This issue will come before the Full Board at its October 2022 meeting where it will be voted on and action taken.

Procedural History

Prior to the Covid pandemic crisis, the Board of Regents had acted on the registration of religious and independent high schools each year. There were no high school registration visits in 2020 or 2021.

Background Information

Religious and independent high schools which have a senior class for the first time submit Applications for Nonpublic Secondary School Registration and are visited by a staff member from the State Office of Religious and Independent Schools. Approved registration of the religious and independent high schools will allow them to issue valid NYS diplomas and administer State examinations on-site, and the schools will become members of the University of the State of New York.
