

**THE STATE EDUCATION DEPARTMENT / THE UNIVERSITY OF THE  
STATE OF NEW YORK / ALBANY, NY 12234**

**TO:** The Honorable the Members of the Board of Regents

**FROM:** Douglas E. Lentivech  

**SUBJECT:** Report of the Committee on the Professions Regarding  
Licensing Petitions

**DATE:** January 7, 2013

**AUTHORIZATION(S):**   
SUMMARY

**Issue for Consent Agenda**

Should the Regents approve the recommendations of the Committee on the Professions pertaining to licensing petitions as listed on the attachment?

**Reason(s) for Consideration**

Required by State Statute.

**Proposed Handling**

This question will come before the full board at its January 2013 meeting where it will be voted on and action taken.

**Procedural History**

Section 6506(5) of the Education Law and Section 24.7 of the Rules of the Board of Regents authorize the Regents to waive education, experience and examination requirements for a professional license as well as to confer the degree Doctor of Medicine.

**Background Information**

There are 7 licensing petitions and 16 requests for the conferral of the degree Doctor of Medicine for review and approval.

## **Recommendation**

It is recommended that the Regents approve the recommendations of the Committee on the Professions regarding licensing petitions.

## **Timetable for Implementation**

Approval of the Committee on the Professions' recommendations will be effective January 15, 2013.

**Cases Presented to Board of Regents on January 15, 2012**

**SUMMARY REPORT**

PROFESSION	EDUCATION			EXAMINATION		Experience	Confer Degree Doctor of Medicine	Three-Year Limited License
	Pre- Professional	Professional	Post- Graduate	Proficiency	Licensing

**CERTIFIED PUBLIC ACCOUNTANCY**

13-01-07

Tahmina Ali

Bronx, New York 10462

(Pace University, New York, New York, Bachelor of Business Administration in Public Accounting, September 2006)

Petition for: Acceptance of passing grades on the Uniform Certified Public Accountancy Examination.

Statement of Problem: Tahmina Ali, an applicant for licensure as a CPA, recently passed the four parts of the Uniform CPA Examination. However, she exceeded the 18-month time conditioning period in which to complete the examination requirements.

Ms. Ali received conditional credit for passing the Regulation (REG) section of the Examination in February 2010. Under the 18-month conditioning requirements, she needed to pass the remaining three sections by September 30, 2011 in order to retain credit for REG.

Ms. Ali sat for and passed the Business Environment and Concepts (BEC) section of the exam in May 2010. She then sat for and failed the Financial Accounting and Reporting (FAR) section in May 2011 and the Auditing and Attestation (AUD) section in August 2011.

She was scheduled to take the FAR section again in August 2011, within the 18-month conditioning period. Unfortunately, her testing site was closed due to Hurricane Irene, and Ms. Ali was prevented from sitting for the scheduled section due to this closure. However, at that time she had not passed the AUD section and would still have exceeded the time conditioning period even without the natural disaster.

Subsequently, Ms. Ali sat for and passed the FAR section in October 2011 and the AUD section in November 2011, after the REG section had expired. Of further note, while she was waiting for the State Board for Public Accountancy to review of her petition, the BEC section also expired on December 31, 2011.

Based on the fact that Ms. Ali did not substantially meet the requirements prior to the unforeseen circumstances, the Executive Secretary of the State Board for Public Accountancy does not support Ms. Ali's petition to waive the 18-month requirement to pass all four parts of the Uniform CPA Examination.

APPLICABLE REQUIREMENTS:	QUALIFICATIONS:
Section 7404 of Education Law and Part 70 of the Commissioner's Regulations require:	
(1) A bachelor's or higher degree based on a program in accountancy.	(1) Pace University, New York, New York, Bachelor of Business Administration in Public Accounting, September 2006.
(2) Passing scores on the Uniform CPA Examination.	
(3) Two years of satisfactory experience.	

**RECOMMENDATION:** The Committee on the Professions, in concurrence with the Executive Secretary of the State Board for Public Accountancy, recommends that the applicant's petition to waive the 18-month requirement to pass all four parts of the Uniform CPA Examination be denied. Instead, the applicant should sit for the two remaining sections, BEC and REG, prior to her conditional credit expiring for FAR and AUD on June 30, 2013.

**Board of Regents: January 15, 2013**

**CERTIFIED PUBLIC ACCOUNTANCY**

13-02-07

Steven Coello  
Syosset, NY 11791

(State University of New York College at Old Westbury, Old Westbury, New York, Bachelor of Science in Accounting, May 2009)

Petition for: Acceptance of passing grades on the Uniform Certified Public Accountancy Examination.

Statement of Problem: Steven Coello, an applicant for licensure as a CPA, recently passed the four parts of the Uniform CPA Examination. However, he exceeded the 18-month time conditioning period in which to complete the examination requirements. Mr. Coello was unable to sit for the final section of the Examination within the conditioning period due to the unexpected closure of his testing site and was not able to reschedule within the testing window.

Mr. Coello received conditional credit for passing the Business Environment and Concepts (BEC) section of the Examination in November 2010. Under the 18-month conditioning requirements, he needed to pass the remaining three sections by June 20, 2012 in order to retain credit for BEC.

Mr. Coello sat for and passed the Auditing and Attestation (AUD) section in May 2011 and the Regulation (REG) section in November 2011. He was scheduled to take the Financial Accounting and Reporting (FAR) section on May 30, 2012, within his 18-month conditioning period. However, his testing site was closed due to a technical difficulty, and Mr. Coello was prevented from sitting for the scheduled section due to this closure. He was scheduled to sit for and passed FAR in July 2012, the next available testing window, as there was no testing in the month of June.

The Executive Secretary of the State Board for Public Accountancy supports Mr. Coello's petition to waive the 18-month requirement to pass all four parts of the Uniform CPA Examination, given that he was prevented from sitting for his final section by circumstances that were not within his control.

APPLICABLE REQUIREMENTS:	QUALIFICATIONS:
Section 7404 of Education Law and Part 70 of the Commissioner's Regulations require:	
(1) A bachelor's or higher degree based on a program in accountancy.	(1) State University of New York College at Old Westbury, Old Westbury, New

	York, Bachelor of Science in Accounting, May 2009.
(2) Passing scores on the Uniform CPA Examination.	(2)(a) November 2010: Business Environment and Concepts (passing score). (2)(b) May 2011: Auditing and Attestation (passing score). (2)(c) November 2011: Regulation (passing score). (2)(d) July 2012: Financial Accounting and Reporting (passing score).
(3) Two years of satisfactory experience.	

**RECOMMENDATION:** The Committee on the Professions, in concurrence with the Executive Secretary of the State Board for Public Accountancy, recommends that the applicant's petition for acceptance of passing grades on the Uniform CPA Examination be accepted.

**Board of Regents: January 15, 2013**

**CERTIFIED PUBLIC ACCOUNTANCY**

13-03-07

Nathanael Marciano  
New York, New York 10033

(Yeshiva University, New York, New York, Bachelor of Science in Accounting, May 2010)

Petition for: Acceptance of passing grades on the Uniform Certified Public Accountancy Examination.

Statement of Problem: Nathanael Marciano, an applicant for licensure as a CPA, recently passed the four parts of the Uniform CPA Examination. However, he exceeded the 18-month time conditioning period in which to complete the examination requirements by three days.

Mr. Marciano received conditional credit for passing the Business Environment and Concepts (BEC) section of the Examination in August 2010. Under the 18-month conditioning requirements, he needed to pass the remaining three sections by March 31, 2012 in order to retain credit for BEC.

Mr. Marciano sat for and passed the Auditing and Attestation (AUD) section of the exam in November 2010. He then sat for and passed the Financial Accounting and Reporting (FAR) section in November 2011 on his second attempt. Finally, he sat for and passed the Regulation (REG) section in April 2012 on his second attempt, three days, or one testing window, outside of his conditioning period.

Mr. Marciano's ability to effectively prepare for and sit for the exam was significantly compromised during the nine-month period from August 2011 through April 2012 due to a documented family medical condition. Mr. Marciano did continue to sit for and was ultimately successful on both the FAR and REG sections of the exam during this period.

Based on the documentation provided and Mr. Marciano's success on all four parts of the Examination, the Executive Secretary of the State Board for Public Accountancy supports his petition to waive the 18-month requirement to pass all four parts of the Uniform CPA Examination.

APPLICABLE REQUIREMENTS:	QUALIFICATIONS:
Section 7404 of Education Law and Part 70 of the Commissioner's Regulations require:	

(1) A bachelor's or higher degree based on a program in accountancy.	(1) Yeshiva University, New York, New York, Bachelor of Science in Accounting, May 2010.
(2) Passing scores on the Uniform CPA Examination.	<p>(2)(a) August 2010: Business Environment and Concepts (passing score).</p> <p>(2)(b) November 2010: Auditing and Attestation (passing score).</p> <p>(2)(c) November 2011: Financial Accounting and Reporting (passing score).</p> <p>(2)(d) April 2012: Regulation (passing score).</p>
(3) Two years of satisfactory experience.	

**RECOMMENDATION:** The Committee on the Professions, in concurrence with the Executive Secretary of the State Board for Public Accountancy, recommends that the applicant's petition for acceptance of passing grades on the Uniform CPA Examination be accepted.

**Board of Regents: January 15, 2013**

Meghan West

Tallahassee, FL 32304

(Florida State University, Tallahassee, Florida, Bachelor of Science in Finance, April 2007)

Petition for: Acceptance of passing grades on the Uniform Certified Public Accountancy Examination.

Statement of Problem: Meghan West, an applicant for licensure as a CPA, recently passed the four parts of the Uniform CPA Examination. However, she exceeded the 18-month time conditioning period in which to complete the examination requirements. Ms. West was unable to sit for the final section of the Examination within the conditioning period due to the unexpected closure of her testing site and was not able to reschedule within the testing window.

Ms. West received conditional credit for passing the Financial Accounting and Reporting (FAR) and Regulation (REG) sections of the Examination in February 2010. Under the 18-month conditioning requirements, she needed to pass the remaining two sections by September 30, 2011 in order to retain credit for FAR and REG.

Ms. West sat for and passed the Business Environment and Concepts (BEC) section in July 2011. She was scheduled to take the Auditing and Attestation (AUD) section on August 29, 2011, within her 18-month conditioning period. However, her testing site was closed due to natural disasters and Ms. West was prevented from sitting for the scheduled section due to this closure. She was scheduled to sit for and passed AUD in November 2011 during the next available testing window.

The Executive Secretary of the State Board for Public Accountancy supports Ms. West's petition to waive the 18-month requirement to pass all four parts of the Uniform CPA Examination, given that she was prevented from sitting for her final section by circumstances that were not within her control.

APPLICABLE REQUIREMENTS:	QUALIFICATIONS:
Section 7404 of Education Law and Part 70 of the Commissioner's Regulations require:	
(1) A bachelor's or higher degree based on a program in accountancy.	(1) Florida State University, Tallahassee, Florida, Bachelor of Science in Finance, April 2007.

(2) Passing scores on the Uniform CPA Examination.	(2)(a) February 2010: Financial Accounting and Reporting (passing score). (2)(b) February 2010: Regulation (passing score). (2)(c) July 2011: Business Environment and Concepts (passing score). (2)(d) November 2011: Auditing and Attestation (passing score).
(3) Two years of satisfactory experience.	

**RECOMMENDATION:** The Committee on the Professions, in concurrence with the Executive Secretary of the State Board for Public Accountancy, recommends that the applicant's petition for acceptance of passing grades on the Uniform CPA Examination be accepted.

### **DENTISTRY**

13-01-50

Helmy Mostafa  
Jacksonville, Florida

(Jordan University of Science and Technology, Faculty of Dentistry, Irbid, Jordan, Bachelor of Dental Surgery, June 2004)

Petition for: Acceptance of education.

Statement of Problem: Regulations of the Commissioner require an applicant for licensure in dentistry to complete an acceptable pre-professional education program of at least two years in length (including courses in general chemistry, organic chemistry, biology or zoology, and physics) and an acceptable professional dental education program of at least four years in length, for a total of six years of pre-professional and professional education. Dr. Mostafa completed a five-year combined pre-professional and professional dental education program at Jordan University of Science and Technology, Faculty of Dentistry, in Irbid, Jordan. Therefore, he lacks one year of education which is in the pre-professional area.

In addition, Dr. Mostafa completed five academic years of study at Boston University, School of Dental Medicine in Boston, Massachusetts from July 2005 to December 2010 toward a Doctor of Science in Dentistry degree. The State Board for Dentistry recommends that this advanced degree be considered to fulfill the remaining one year of required pre-professional education.

Dr. Mostafa also did not complete the two academic years of study required in an accredited dental school program culminating in certification that the applicant has achieved the level of knowledge and clinical proficiency expected of a graduate of that school. Such study is required for applicants completing a program of dental education in an unregistered or unaccredited dental school.

However, Dr. Mostafa has completed one year of Advanced Education in General Dentistry (AEGD) at Marquette University School of Dentistry in Milwaukee, Wisconsin from July 2004 through June 2005 and two years of study at Jacksonville University in Jacksonville, Florida from August 2010 to August 2012 toward a Certificate in Orthodontics. The Director of the Advanced Education in General Dentistry program at Marquette University, Dr. Joseph Vitolo, has submitted a letter certifying that Dr. Mostafa has achieved the level of knowledge and clinical proficiency expected of a graduate of the Marquette University School of Dentistry.

The State Board for Dentistry recommends that the one year AEGD at Marquette University School of Dentistry and one year of the Certificate in Orthodontics at Jacksonville University be considered as the substantial equivalent of the two-year

program required in regulation, and the remaining one year of the Certificate in Orthodontics be considered to fulfill the clinically-based dental residency program of at least one year's duration.

APPLICABLE REQUIREMENTS:	QUALIFICATIONS:
Section 61 of the Regulations of the Commissioner of Education requires:	
(1) Not less than 60 semester hours of pre-professional education including courses in general chemistry, organic chemistry, biology or zoology, and physics.	(1) See qualification #2.
(2) Four academic years of dental education culminating in a degree in an acceptable dental school.	(2)(a) Five years of acceptable pre-professional and professional dental education culminating in the Bachelor of Dental Surgery, Jordan University of Science and Technology, Faculty of Dentistry, Irbid, Jordan, June 2004.  (2)(b) Five academic years of study culminating in a Doctor of Science in Dentistry degree, Boston University, School of Dental Medicine in Boston, Massachusetts, January 2011.
(3) Two academic years of study in an accredited dental school program culminating in certification that the applicant has achieved the level of knowledge and clinical proficiency expected of a graduate of that school.	(3)(a) One year of study culminating in a Certificate in Advanced Training in General Dentistry, Marquette University School of Dentistry, Milwaukee, Wisconsin, June 2005.  (3)(b) One year of study toward a Certificate in Orthodontics, Jacksonville University, Jacksonville, Florida, August 2012.
(4) Satisfactory scores on Parts I and II of the National Dental Board Examinations.	(4) Passing scores on Parts I and II of the National Dental Board Examinations.
(5) Acceptable clinically-based dental residency program of at least one year's duration.	(5) One year of study toward a Certificate in Orthodontics, Jacksonville University, Jacksonville, Florida, August 2012.
(6) United States citizen or alien lawfully admitted for permanent residence in the United States.	(6) United States citizen.

(7) Evidence of the required course in the identification and reporting of child abuse and maltreatment.	(7) Completed required course in the identification and reporting of child abuse and maltreatment.
--	--

RECOMMENDATION: The Committee on the Professions, in concurrence with the Executive Secretary of the State Board for Dentistry, recommends that the applicant's pre-professional and professional education requirements be considered fulfilled.

**Board of Regents: January 15, 2013**

**DENTISTRY**

13-02-50

Jessica Sugajara  
Rochester, NY

(Universidad Peruana Cayetano Heredia, Lima, Peru, Bachelor in Dentistry, April 2002)

Petition for: Acceptance of education.

Statement of Problem: Regulations of the Commissioner require an applicant for licensure in dentistry to complete an acceptable pre-professional education program of at least two years in length (including courses in general chemistry, organic chemistry, biology or zoology, and physics) and an acceptable professional dental education program of at least four years in length, for a total of six years of pre-professional and professional education. Dr. Sugajara completed a five-year combined pre-professional and professional dental education program at Universidad Peruana Cayetano Heredia in Lima, Peru. Therefore, she lacks one year of education which is in the pre-professional area.

Following dental school, Dr. Sugajara was an Undergraduate Research student in Fixed Prosthodontics from August 2002 through February 2003 and completed a one year Technical Training Course in Prosthetic Dentistry from July 2005 through June 2006 at Tohoku University Graduate School of Dentistry in Miyagi, Japan. Based on a review of Dr. Sugajara's advanced studies at Tohoku University, the State Board for Dentistry recommends that these studies be considered to fulfill the remaining one year of required pre-professional education.

Additionally, Dr. Sugajara did not complete the two academic years of study required in an accredited dental school program culminating in certification that the applicant has achieved the level of knowledge and clinical proficiency expected of a graduate of that school. Such study is required for applicants completing a program of dental education in an unregistered or unaccredited dental school. She enrolled in the two and a half year advanced program in general dentistry at the Eastman Institute for Oral Health of the University of Rochester and completed the program in June 2011. This program is acknowledged by the State Board for Dentistry as the substantial equivalent of the two-year program required in regulation.

APPLICABLE REQUIREMENTS:	QUALIFICATIONS:
Section 61 of the Regulations of the Commissioner of Education requires:	

<p>(1) Not less than 60 semester hours of pre-professional education including courses in general chemistry, organic chemistry, biology or zoology, and physics.</p>	<p>(1) See qualification #2.</p>
<p>(2) Four academic years of dental education culminating in a degree in an acceptable dental school.</p>	<p>(2)(a) Five years of acceptable pre-professional and professional dental education culminating in the degree of Bachelor in Dentistry, Universidad Peruana Cayetano Heredia, Lima, Peru, April 2002.</p> <p>(2)(b) Undergraduate Research student in Fixed Prosthodontics, Tohoku University School of Dentistry, Miyagi, Japan, August 2002 through February 2003.</p> <p>(2)(c) One year Technical Training Course in Prosthetic Dentistry Tohoku University Graduate School of Dentistry, Miyagi, Japan, July 2005 through June 2006.</p>
<p>(3) Two academic years of study in an accredited dental school program culminating in certification that the applicant has achieved the level of knowledge and clinical proficiency expected of a graduate of that school.</p>	<p>(3) Two and a half year advanced program in general dentistry at the University of Rochester, Eastman Institute for Oral Health, Rochester, New York, completed June 2011.</p>
<p>(4) Satisfactory scores on Parts I and II of the National Dental Board Examinations.</p>	<p>(4) Passing scores on Parts I and II of the National Dental Board Examinations.</p>

**MEDICINE**

13-01-60

David Borel

Topeka, Kansas 66614

(University of Kansas, Lawrence, Kansas, Doctor of Medicine, May 1971)

Petition for: Acceptance of an American Board of Specialties Certification in lieu of the clinical competency part of the New York State medical licensing examination.

Statement of Problem: Section 60.4 of the Regulations of the Commissioner allows an applicant for medical licensure to fulfill the New York State medical licensing examination requirement by passing all parts of a licensing examination of another state given prior to January 1, 1972 that was satisfactory to the New York State Board for Medicine.

Dr. Borel received his first medical license in Kansas in July 1972. This license was based on Dr. Borel passing the National Board of Medical Examiners (NBME) Part I in June 1969 and the Kansas state-constructed examination in June 1971. However, the Kansas state-constructed examination is only partially endorsable, and applicants must also pass the clinical competency part of the New York State licensing exam to meet the full examination requirement.

Dr. Borel completed four years of the Accreditation Council on Graduate Medical Education (ACGME) accredited Pathology training from July 1971 through June 1975 at the University of Kansas Medical Center in Kansas City, Kansas. He became certified in Anatomic and Clinical Pathology by the American Board of Pathology (ABP) in May 1975.

Department staff recommends that the Certification by the ABP be accepted to fulfill the clinical competency part of the New York State licensing examination requirement.

APPLICABLE REQUIREMENTS:	QUALIFICATIONS:
Commissioner's Regulations, Part 60, require:	
(1) Six years of postsecondary education, including a medical education at least 32 months in length.	(1)(a) University of Kansas, Lawrence, Kansas, Bachelor of Arts, June 1967.  (1)(b) University of Kansas, Lawrence, Kansas, Doctor of Medicine, May 1971.

(2) One year of accredited postgraduate hospital training.	(2) Four years of accredited postgraduate training in pathology from July 1971 through June 1975, University of Kansas Medical Center, Kansas City, Kansas.
(3) Appropriate medical license or certificate.	(3) Kansas medical license, July 1972.
(4) Acceptable scores on a licensing examination in accordance with Section 60.4.	(4)(a) NBME Part I, June 1969 (4)(b) Kansas state-constructed examination, April 1968. (4)(c) Diplomate of the American Board of Pathology certified in Anatomic Pathology and Clinical Pathology, May 1975.
(5) Not less than two years of satisfactory experience.	(5) More than 28 years of satisfactory experience.
(6) United States citizen or alien lawfully admitted for permanent resident status in the United States.	(6) United States citizen.
(7) Evidence of good moral character.	(7) Good moral character.
(8) Evidence of the required course in the identification and reporting of child abuse and maltreatment.	(8) Certificate of exemption.

**RECOMMENDATION:** The Committee on the Professions, in concurrence with the Executive Secretary of the State Board for Medicine, recommends that the applicant's Certification by the American Board be accepted to fulfill the clinical competency part of the New York State licensing examination.

## Board of Regents: January 15, 2013

### MEDICINE

Petition for: Conferral of the degree Doctor of Medicine (M.D.) pursuant to Section 6529 of the Education Law.

Summary Statement: The petitioners listed below are all graduates of foreign medical schools who have been licensed in New York.

The applicable requirements of Section 3.57 of the Rules of the Board of Regents require completion of a medical education program in a foreign medical school satisfactory to the Department which does not grant the degree Doctor of Medicine (M.D.), and in which the philosophy and curriculum were equivalent, as determined by the Department in accordance with the policy of the Board of Regents, to those in programs leading to the degree Doctor of Medicine (M.D.) at medical schools in the United States satisfactory to, or registered by, the Board of Regents and the Department. Secondly, petitioners must have licensure to practice medicine in New York State in accordance with provisions of Section 6524 or 6528 of the Education Law or their equivalent as determined by the Board of Regents pursuant to their authority under Section 6506 of the Education Law.
