Should the Board of Regents consent to allow the City School District of the City of Salamanca to increase the indebtedness of the school district under the provisions of the State Constitution and the Local Finance Law?

Reason(s) for Consideration

Required by Article 8, Section 4, Paragraph (h) of the State Constitution and by Local Finance Law Section 104.00(c).

Proposed Handling

This petition will come before the Full Board for consideration at its March 2021 meeting, where it will be voted on and action taken.

Procedural History

The Board of Regents is required to give consent for such petitions prior to the petition being forwarded to the State Comptroller for final consideration. The Board of Regents has, in the past, discussed similar requests from school districts to exceed their debt limit and is familiar with the guidelines and procedures for granting consent.

Background Information

The Department received a petition from the Board of Education of the City School District of the City of Salamanca seeking consent of the Board of Regents to an increase in the indebtedness of the City School District of the City of Salamanca.

The State Constitution requires that any increase in the constitutional limit on local indebtedness for a school district wholly or partly within a city of less than 125,000 inhabitants receive: (1) the approving vote of 60 percent or more of the duly qualified voters; (2) the consent of the Board of Regents; and (3) the consent of the State Comptroller.

According to the petition, the City School District of the City of Salamanca is located in the Towns of Salamanca, Little Valley, Napoli, Great Valley, and Carrollton in Cattaraugus County. The School District also encompasses the majority of the City of Salamanca and a portion of the Allegany Indian Territory, which is inhabited primarily by members of the Seneca Nation. The documentation supporting the petition verifies that more than 60 percent of duly qualified voters approved the increase at a special meeting held on May 21, 2019. The amount requested for approval by the Board of Regents is \$9,677,807, to be used to fund a capital project consisting of the expansion, reconstruction, and renovation, in part, and the construction of additions, improvements, and upgrades to various School District buildings and facilities (and sites thereof), including a substantial leased portion of Veterans Memorial Park in the City of Salamanca, and the acquisition of various parcels of real property in the City of Salamanca, and incidental costs and expenses in connection therewith.

The staff have reviewed the petition and supporting documentation and recommends that the requested consent be granted.
