(a) The Local Government Records Management account carry-in is not reported because the revenue in this account supports both the administrative costs reported here and a larger Aid to Localities grant program, not reflected in this report.

(b) This is a reimbursable account. Carry-in balances are not reported for reimbursable accounts since these balances will ultimately be zero (allowing for processing time).

(c) This imbalance is the result of the use of prior year funds to meet current year one-time obligations.

(d) Excludes endowment funds.
