SUMMARY

Issue for Decision (Consent Agenda)

Should the Board of Regents approve the registration of a nonpublic high school?

Reason(s) for Consideration

Required by State statute.

Proposed Handling

This question will come before the Board of Regents at its April 2014 meeting.

Procedural History

The Board of Regents takes action on the registration of nonpublic high schools.

Background Information

Nonpublic schools that have a senior class for the first time submit an Application for Nonpublic Secondary School Registration and are visited by a staff member from the Office for Nonpublic Schools. Approved registration of a nonpublic high school allows the school to issue valid diplomas and administer State examinations on-site, and the school becomes a member of the University of the State of New York.

Recommendation

VOTED: That the following school, which participated in the 2013-14 nonpublic high school registration program, be registered:

Congregation Lev Bais Yaakov	Kings	332200229795
