

**TO:** The Honorable Members of the Board of Regents

**FROM:** David H. Hamilton *David H. Hamilton*

**SUBJECT:** Proposed Amendment of Sections 77.4, 77.5, and 77.10 of the Regulations of the Commissioner of Education Relating to the Profession of Physical Therapy

**DATE:** April 4, 2024

**AUTHORIZATION(S):**

*Jan N. P. Bellotti*

**SUMMARY**

**Issue for Decision (Consent)**

Should the Board of Regents adopt the proposed amendment of sections 77.4, 77.5, and 77.10 of the Regulations of the Commissioner of Education relating to the profession of physical therapy?

**Reason for Consideration**

Required by State statute (Chapter 511 of the Laws of 2022).

**Proposed Handling**

The proposed amendment is submitted to the Full Board for adoption as a permanent rule at the April 2024 meeting of the Board of Regents. A copy of the proposed rule (Attachment A) is attached.

**Procedural History**

The proposed amendment was presented to the Professional Practice Committee for discussion and recommendation to the Full Board for adoption as an emergency rule at the December 2023 meeting of the Board of Regents. A Notice of Proposed Rule Making was published in the State Register on December 27, 2023, for a 60-day public comment period, and a Notice of Emergency Adoption was published in the State Register on March 6, 2024.

Following publication in the State Register, the Department received no comments on the proposed amendment. Therefore, an Assessment of Public Comment is not required and no changes to the proposed amendment are needed. A Notice of Adoption will be published in the State Register on May 1, 2024. Supporting materials are available upon request from the Secretary to the Board of Regents.

## **Background Information**

Currently, physical therapy assistant is a certified profession. However, physical therapy assistants are more equivalent to a licensed profession because: (1) they must meet statutorily defined educational and examination requirements; and (2) they have a defined scope of practice performing physical therapy modalities under the supervision and direction of a physical therapist.

To address this situation, on August 17, 2022, the Governor signed into law Chapter 511 of the Laws of 2022 (Chapter 511), which became effective February 17, 2024. Chapter 511 amended the Education Law by updating the practice of physical therapy assistants from a credentialed to licensed profession and creating the new legally protected title of “licensed physical therapist assistant” and eliminating the prior protected title of “certified physical therapist assistant.”

## **Proposed Amendment**

The proposed amendment of the Commissioner’s regulations implements Chapter 511 by replacing the prior protected title of “certified physical therapy assistant” with the protected title of “licensed physical therapist assistant.”
