Reason(s) for Consideration

Required by State statute.

Proposed Handling

This issue will come before the Board of Regents at the June 2019 meeting.

Procedural History

The Board of Regents has acted on the registration of religious and independent high schools each year.

Background Information

Religious and independent high schools which had a senior class for the first time, schools that were in pending registration status and schools classified as 853 schools submitted Applications for Nonpublic Secondary School Registration and were visited by a staff member from the State Office of Religious and Independent Schools.

Approved registration of the religious and independent high schools will allow them to issue valid NYS diplomas and administer State examinations on-site, and the schools will become members of the University of the State of New York.
