

TO: The Honorable Members of the Board of Regents

FROM: William P. Murphy 

SUBJECT: Proposed Amendment of Section 52.21 of the Regulations of the Commissioner of Education Relating to the Admission Requirements for Graduate-level Teacher and Educational Leadership Programs

DATE: June 30, 2022

AUTHORIZATION(S): 

SUMMARY

Issue for Decision (Consent)

Should the Board of Regents adopt the proposed amendment of section 52.21 of the Regulations of the Commissioner of Education relating to the admission requirements for graduate-level teacher and educational leadership programs?

Reason(s) for Consideration

Required by State statute.

Proposed Handling

The proposed amendment is submitted to the Full Board for adoption as a permanent rule at its July 2022 meeting. A copy of the proposed amendment is attached (Attachment A).

Procedural History

The proposed amendment was presented to the Higher Education Committee for discussion at its March 2022 meeting. A Notice of Proposed Rule Making was published in the State Register on March 30, 2022, for a 60-day public comment period. Following publication in the State Register, the Department received no comments on the proposed amendment. Therefore, an Assessment of Public Comment is not required and no changes to the proposed amendment are needed. A Notice of Adoption will be published in the State Register on July 27, 2022. Supporting materials are available upon request from the Secretary to the Board of Regents.

Background Information

The proposed amendment is necessary to align the Commissioner's regulations with recent changes to section 210-a of the Education Law regarding admission requirements for graduate-level teacher and educational leader programs.

Chapter 620 of the Laws of 2021 removed the statutory requirement for a minimum score on the graduate record examination or a substantially equivalent admission examination, as determined by an institution of higher education, for admission to a graduate-level teacher or educational leadership program. Additionally, Chapter 626 of the Laws of 2021 increased the percentage of an incoming class that may be exempted from the required selection criteria for admission to a graduate-level teacher or educational leadership program from fifteen percent to fifty percent.

Therefore, the Department proposes to amend section 52.21 of the Commissioner's regulations to make conforming revisions consistent with these statutory changes.
