BPSS Mission

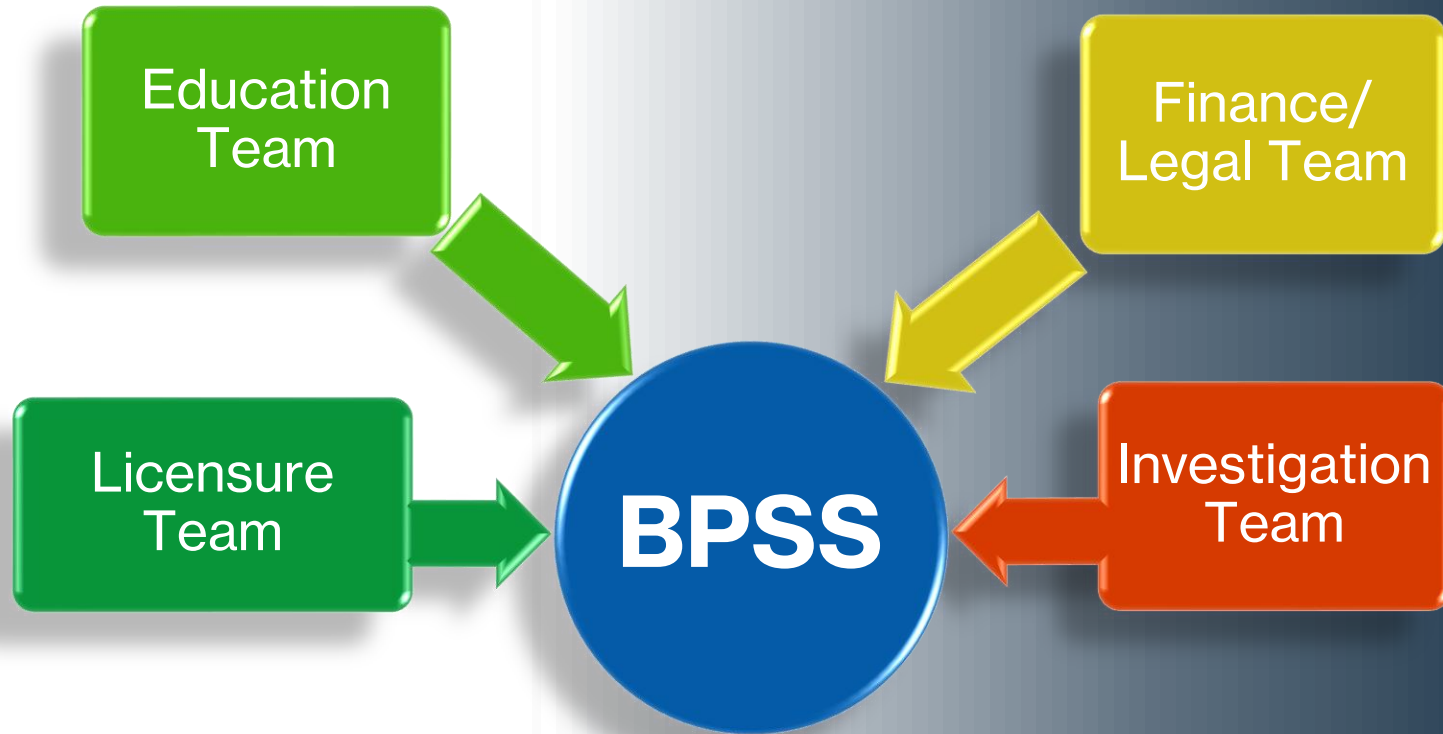

- Ensure that the overall educational quality of the programs offered provide students with the necessary skills to secure meaningful employment
- To protect students' financial interests while attending proprietary schools

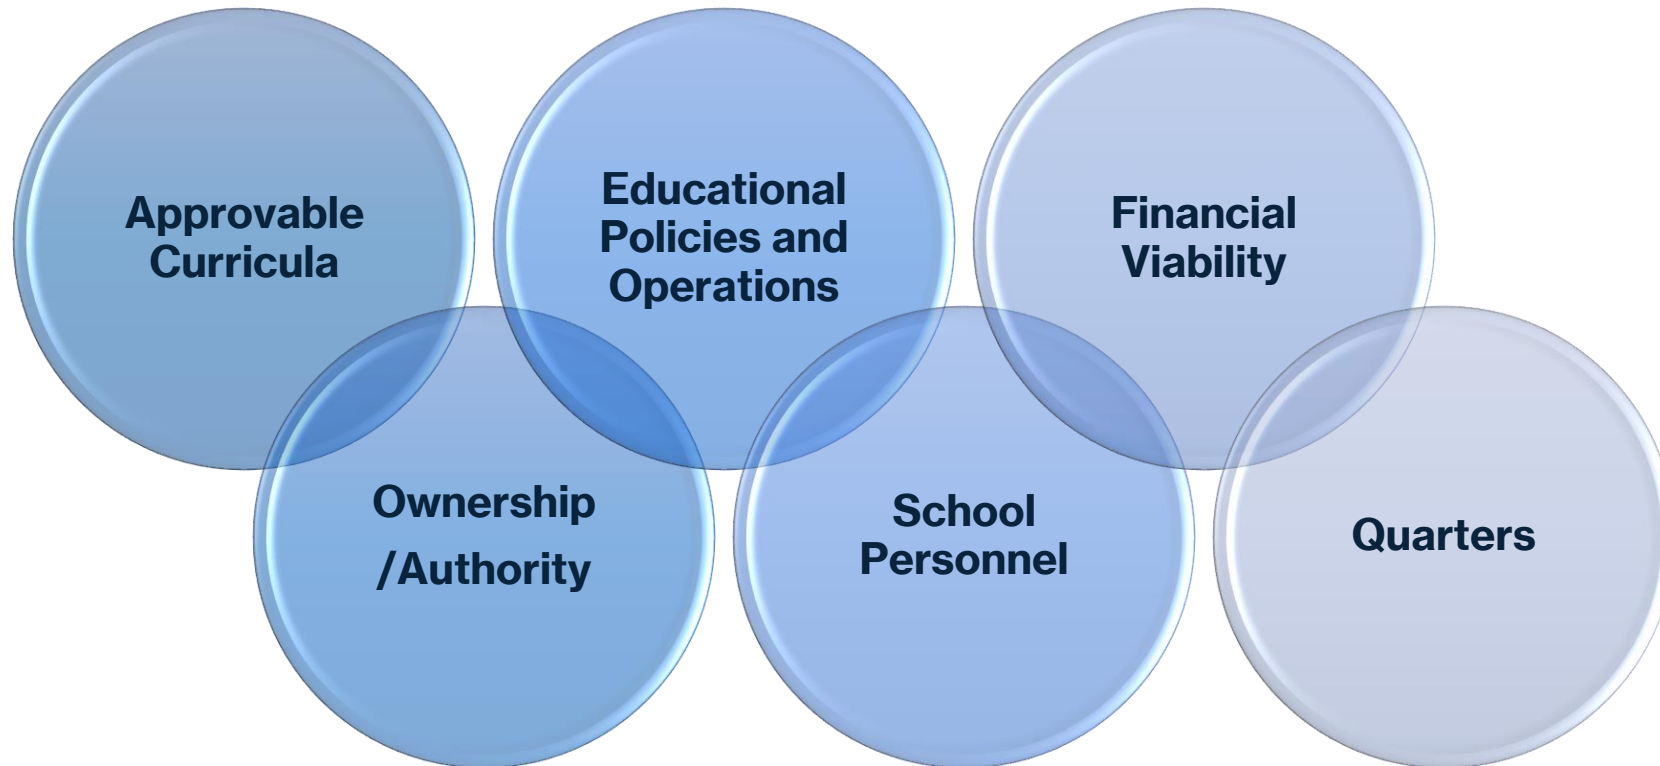

Achieving the BPSS Mission

1. License, oversee and monitor nondegree granting proprietary schools to ensure compliance of Education Law 5001 and Section 126 of Commissioner's Regulations
2. Partner with other State Agency's to ensure quality standards for various educational programs.
3. Protect Student's financial interests.
4. Conduct investigations.
