BEYOND ATTICA: THE STRUGGLE BEFORE US

The Attica tragedy occurred in September, 1971 and it is hard to see what meaningful changes have resulted from it, or how much the community has learned. Superintendent Vincent ... resigned, but virtually none ... have been acted ...

DEFEND THE RIGHT TO LIVE!

Over the last few years there have been several events that have shocked the American people -- Jackson State, Kent State, Mylai and now Attica. Some say these are merely the unfortunate mistakes of well-meaning officials, but a thread runs through them. In each case the lives of human beings were expendable to people in power -- thrown away in the interests of maintaining wealth and privilege. The fact that the lives of the guards at Attica were of no importance to Rockefeller shows that those who hold power will sacrifice even their own people to protect themselves.

Now, for the hundreds of ... hell-hole of Attica, the violence is only beginning. ... and vicious punishment taken by the heroic revolutionaries of the Tombs and ... uprisings of last year. We already know from the det-up murder of George Jackson and many, many others, what the fascist beats are capable of, especially when their victims are unarmed, separated, chained, and shackled. The Hitlerite New York State Troopers, (Rockefeller's personal strike-breakers), the nazi prison guards (who even have their own AFL-CIA brand "union"!), many of these elements junior versions of Killer Calley, and the rest of the white-chauvinist law-and-order scum that join in the inevitable ... of the "prison employees"(pigs) are all the true face of ... who have been bribed and

LET'S TOAST ROCKEFELLER

On October 31st a People's Tribunal indicted Rocky, Nixon, Oswald and Warden Mancusi for the murders at Attica. As the ATTICA BRIGADE we unite with the NLF and our brothers and sisters in Amerika's prisons. Around 3 PM we'll leave the park and march on one of Rocky's holdings, where we'll ... him in effigy.
