

**Enrollment and Academic Summary of New York State Charter Schools Contracting with
For-Profit Management Organizations**
November 13, 2017

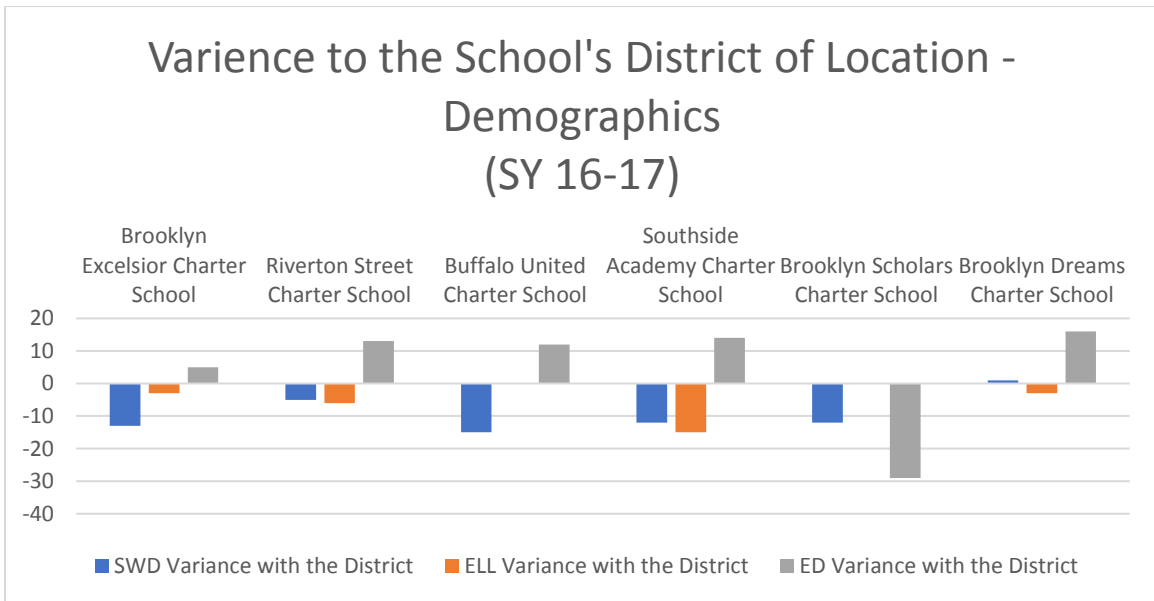

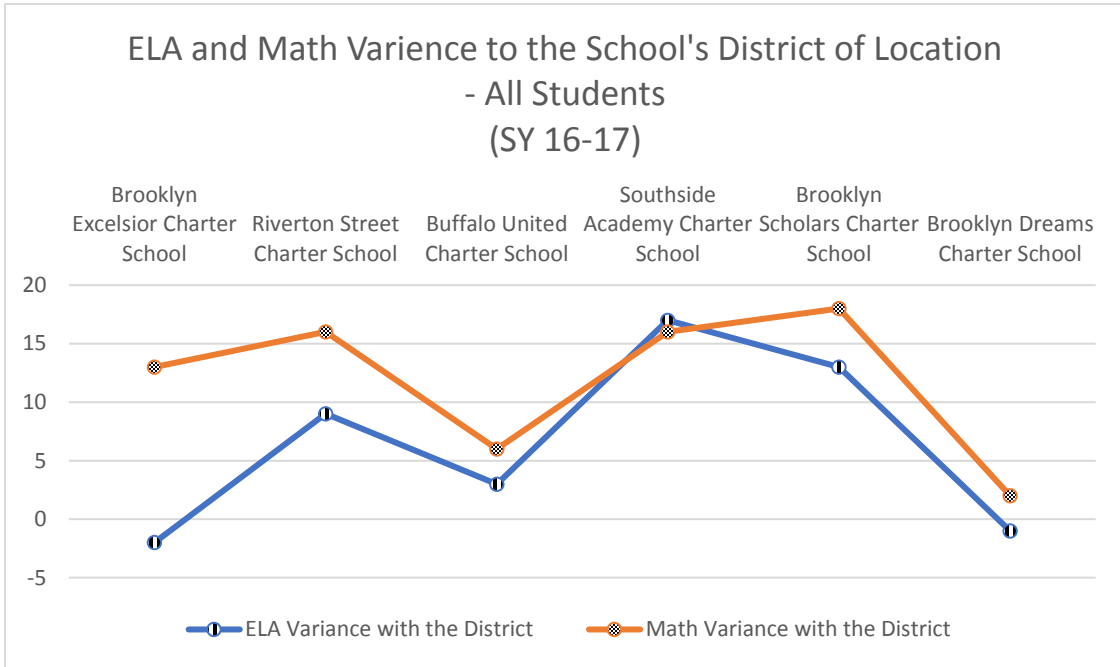

All charter schools in New York State are non-profit entities. However, prior to changes to the Education Law in 2010, non-profit charter schools could contract with for-profit entities to provide comprehensive management services.¹ The charter schools that contracted with these for-profit entities were grandfathered in and were able to continue their relationship after the law was amended. Today, there are 6 non-profit charter schools in New York State serving approximately 4,500 students that contract with a for-profit management organization:

Charter Name	Authorizer	For Profit Management Organization	Judicial District	District of Location
Brooklyn Excelsior Charter School	SUNY	National Heritage Academies, Inc	2nd Judicial District	New York City Geographic District #16
Riverton Street Charter School	NYCDOE	National Heritage Academies, Inc	11th Judicial District	New York City Geographic District #29
Buffalo United Charter School	SUNY	National Heritage Academies, Inc	8th Judicial District	Buffalo City School District
Southside Academy Charter School	Regents	National Heritage Academies, Inc	5th Judicial District	Syracuse City School District
Brooklyn Scholars Charter School	NYCDOE	National Heritage Academies, Inc.	2nd Judicial District	New York City Geographic District #19
Brooklyn Dreams Charter School	SUNY	National Heritage Academies, Inc.	2nd Judicial District	New York City Geographic District #22

Below is an enrollment and academic summary for each of these 6 charter schools including breakdowns of performance by sub-group. Each charter schools is evaluated based on the performance framework of their authorizer.

¹ For a definition of comprehensive management services, see the NYSED policy at <http://www.p12.nysed.gov/psc/regentoversightplan/policy/definecmo.pdf>
