2021-22 Expense-based Aids

Increase Access and Opportunity through BOCES Aid Expansion

BOCES Aid

- Only the first \$30,000 of BOCES salary is aidable
- Last updated in 1990, when it was a median salary

Raise aidable salary limit to support:

- Career and Technical Education
- Diversity, Equity, and Inclusion and Culturally Responsive-Sustaining Education Resources
- Virtual instruction for students with health-related issues

Increase Opportunities through Special Services Aid Enhancements

Special Services Aid

- For districts that are not BOCES components
- Per pupil allotments slightly increased in 2007 but not significantly

Raise per pupil special services aid to support:

- New CTE instructional services
- Unrestricted aid allows for district flexibility to pursue new proven approaches

Enhance Digital Equity through Instructional Materials Aids

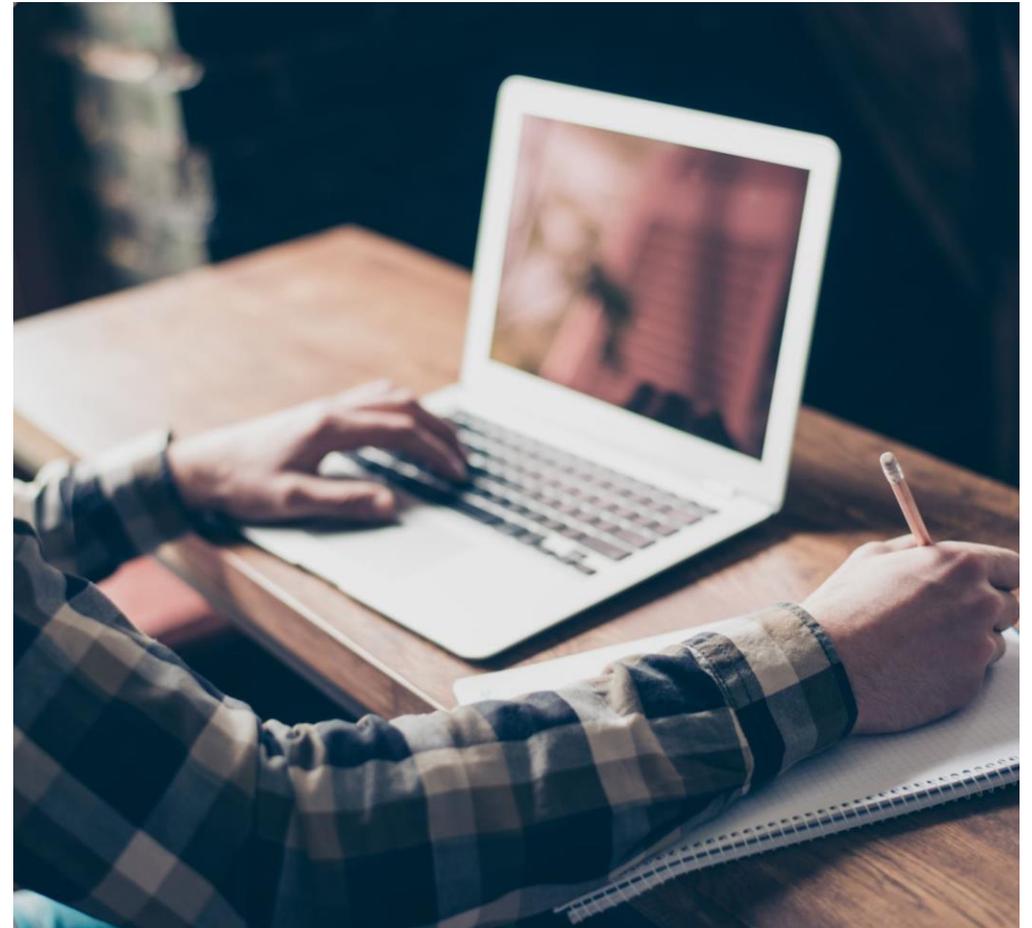

Current Instructional Materials Aid

Textbook: \$58.25 per pupil

Hardware: \$24.20 per pupil X aid ratio

Software: \$14.98 per pupil

Library Materials: \$6.25 per pupil
