Background Information

Commissioner's Regulations §105.3(b) generally provides for uniform, consecutive four-year terms for all public members that commence on the first day of a school year (July 1st) and end on the last day of the fourth school year thereafter (June 30th). However, because of the unavailability of persons willing to serve at the prescribed times, it is not possible for the Commissioner to appoint public members in

accordance with the current language in the regulation. The proposed amendment will provide more flexibility for the appointment of public members based upon their availability to serve.

A Notice of Proposed Rule Making was published in the June 30, 2010 State Register. Supporting materials are available upon request from the Secretary to the Board of Regents.

Timetable for Implementation

It is anticipated that the proposed amendment will be presented to the Board of Regents for adoption at the September 2010 Regents meeting, with an effective date of October 6, 2010.
